PRESS RELEASE

THE INSTITUTE OF COMPANY SECRETARIES OF INDIA (ICSI) WELCOMES THE UNION BUDGET 2013-14

“Union Budget 2013-14 is a balanced, growth oriented and progressive budget. It brought in investment friendly measures and made a determined effort to regain fiscal consolidation besides addressing the formidable challenge of bringing back the economy on the growth path despite continuing inflationary pressure and global economic turbulence.

The budget reiterates Government’s commitment to inclusive growth with increased allocation to social welfare areas like health, education, nutrition, women safety and skills development. The announcement to set up India’s first Women’s Bank as a public sector bank is a welcome move towards women empowerment.”
