Dear All,

"Quality is not an act, it is a habit." - Aristotle.

I am sure you would have gone through BSE Circular dated 26th November, 2012, on SME listing certification by practising company secretaries. This is the result of the vision of and persistent persuasion with the capital market authorities by our central leadership. Personally I am of the belief that, SME certification is a big opportunity to us and am sure, we will avail fullest of this opportunity and at the same time rise up to the expectations of capital markets.

ICSI-WIRC has been organising its professional development programs with defined objectives and identified purpose, including that of capacity building of members for emerging opportunities. Pro-actively, ICSI-WIRC organised several sessions on SME listing during the year much before the BSE announcement about SME listing certification. ICSI-WIRC is organising another high-profile program on SME listing on 27th December at Aurangabad alongwith ASSOCHAM, CMIA (Chamber of Marathwada Industries & Agriculture) and BSE. Such programs should add immense value to the professional development initiatives of ICSI-WIRC.

The sentiments at ICSI-WIRO are on roller coaster ride much before the X-mas and new-year celebrations. And this is because of multifarious initiatives getting rolled out one after the other. It lends me deep sense of pride and privilege to share that ICSI-WIRC pioneered several unprecedented activities and completed yet another successful month witnessing various new initiatives. Let me present some of the highlights of major developments at ICSI-WIRC since my last communiqué.

☑ **Revival of WIRO Library** : It provides me immense satisfaction sharing the completion of this long-pending project through revival of WIRO library. With the help of a special committee, we added several features including the following to our library :

- Latest books, ICSI and WIRC publications
- Online legal portals, viz Taxmann and Legal Pundits
- Legal journals including Company Cases, SCL etc.
- Magazines including Chartered Secretary, FOCUS, M&A Critique, Economist etc.
- Dailies, annual reports, MSOP project reports and program backgrounders
- Computers, ‘take note’ facility and borrow facility

While the formal inauguration of the revived library is slated later this month, meanwhile we have opened the membership scheme for our members and students. A nominal annual fee of Rs. 200 is fixed (minimum prescribed under the ICSI Regulations) to encourage wider section of members to avail of this useful facility.

☑ **Students’ Conference jointly with Goa and Surat Chapter** : In the series of students’ conferences being organised across the region, ICSI-WIRC organised three more such conference at Goa, Surat and Mumbai. Through this confluence of Knowledge with sense of career opportunities, WIRC students received most valuable tips on important topics like ‘How to Succeed in Exams’, “Career as a Company Secretary” and the like.

☑ **ICSI-WIRC Investor Awareness Quarter** : I am pleased to share that we had successfully organised, jointly with MCA and BSE, more than fifty investor awareness programmes in various parts of Maharashtra and Goa including remote areas. No-one, in my view, would have attempted such a mammoth task of organising large number of such programs, that too in remote areas.

December, 2012
I thank all those members and volunteers who are helping WIRO accomplishing this mammoth task of organising 100 such programs in a short span of 3 months, as desired by MCA. This initiative of ICSI-WIRC has brought laurels to our Profession.
