Message From The President

Dear Students

At the outset, I on behalf of whole ICSI fraternity welcome the launch of Goods and Services Tax in India. GST has superseded the multi-layered Indirect tax structure of India existing since a moon years ago which consisted of 17 taxes and 23 cesses levied by the Centre and the States. This was paramount to streamline the country's $2-trillion economy and 1.3 billion people into a common market to give a push to ease of doing business in India. I would like to reiterate that the ICSI has always supported Government of India in all its growth initiatives. On this historical occasion, the entire fraternity of Company Secretaries are prepared to extend their contribution to ensure the successful transition and implementation of GST. I am pleased to share that to support the Government in this neoteric reform, ICSI has launched its GST app for general public to provide them with a comprehensive insight of GST and an online certificate course on GST for its members. I will reiterate my rumination that you all should also explore all kernals of GST to become proficient to explore upcoming opportunities in CS profession in the sphere of GST.

I will also advise to keep your focus on learning and acquiring knowledge day by day. It is said about leadership that:

"Outstanding leaders go out of their way to boost the self-esteem of their personnel. If people believe in themselves, it's amazing what they can accomplish." -Sam Walton.

In this pursuit, ICSI is launching Corporate Leadership Development Program (CLDP). Based on the feedback received from the stakeholders, Industries, Corporate, Ministry, Regulators and Senior Members, the Institute is introducing **45 Days Residential Corporate Leadership cum Management Skill Orientation Programme** for Professional Pass Students for capacity building, enhancing quality and making them ready to be future KMPs. The proposed training Programme shall be designed to develop requisite skills among the prospective members with Practical knowledge and professional skills to exacting business solution in an effective and efficient manner. Initially, such residential training program shall be provided to the eligible students on subsidised basis from the ICSI. The training program will be quite comprehensive and rigorous and will prepare the upcoming members to take up roles of KMPs and CEOs. You may register for the same before the seats are blocked.

Happy reading.

Green Debt Securities*

Meaning of Green Debt Securities

Green Debt Securities, also known as Green bonds. Green bonds are debt instruments used to finance green projects that provide environmental benefits. A green bond is different from a regular bond on the basis of its purpose. The purpose of green bond is to finance or refinance "green" projects, assets or business activities. Green bonds can be issued either by public or by private players up front to raise capital for projects or for refinancing purposes, freeing up capital and leading to increased lending.

According to SEBI circular, a Debt Security shall be considered as "**Green or Green Debt Securities**", if the funds raised through issuance of the debt securities are to be utilised for project(s) and/or asset(s) which is specified by SEBI in this behalf.

Use of Proceeds

For assigning status of debt securities as green, the broad categories of areas where the funds raised through issuance of the debt securities may be utilised in the following areas:

- Renewable and sustainable energy including wind, solar, bioenergy, other sources of energy which use clean technology etc.
- Clean transportation including mass/public transportation etc.
- Sustainable water management including clean and/or drinking water, water recycling etc.

- Energy efficiency including efficient and green buildings etc.
- Sustainable waste management including recycling, waste to energy, efficient disposal of wastage etc.

CORPORATE LAWS

Landmark Judgement

TATA ENGINEERING AND LOCOMOTIVE CO LTD v. STATE OF BIHAR & ORS [SC]

Writ Petitions Nos.112 and 113 of 1961 etc.

Gajendragadkar (CJI), K.N. Wanchoo, J.C.Shah, N. Rajagopala Ayyangar, & S.M. Sikri, JJ. [Decided on 25/02/1964]

Equivalent citations: 1965 AIR 40; 1964 SCR (6) 885; (1964) 34 comp Cas 548.

Companies Act, 1956 read with Articles 19 and 32 of the constitution of India- whether the corporate veil could be lifted so as to enable the Indian citizens who are the shareholders of the company to enforce their fundamental rights under Article 32- Held, No.

Brief facts : Though these writ petitions raise a common question of law in regard to the validity of the demand for sales tax which has been made against the respective petitioners by the Sales-tax Officers for different areas, we are concerned with that part of the judgement where the issue of 'lifting the corporate veil' was raised and dealt with by the Court.

Decision : Petitions dismissed.

Reason : That takes us to the question as to whether the petitioners, some of whom are companies registered under the Indian Companies Act and one of whom is the State Trading Corporation, can claim to file the present writ petitions under Art. 32 having regard to the decision of this Court in the case of the *State Trading Corporation of India Ltd. v. The Commercial Tax Officer & Ors A.I.R. 1963 S.C. 1811[*LMJ 15: 01:2017]. The petitioners argue that the said decision merely held that the State Trading Corporation of India Ltd. was not a citizen. The question as to whether the veil of the Corporation can be lifted and the rights of the shareholders of the said Corporation could be recognised under Art. 19 or not, was not decided, and it is on this aspect of the question that arguments have been urged before us in the present writ petitions.

Mr. Palkhivala has very strongly urged before us that having regard to the fact that the controversy between the parties relates to the fundamental rights of citizens, we should not hesitate to look at the substance of the matter and disregard the doctrinaire approach which recognises the existence of companies as separate juristic or legal persons. If all the shareholders of the petitioning companies are Indian citizens, why should not the Court look at the substance of the matter and give the shareholders the right to challenge that the contravention of their fundamental rights should be prevented. He does not dispute that the shareholders cannot claim that the property of the companies is their own and cannot plead that the business of the companies is their business in the strict legal sense. The doctrine of lifting of the veil postulates the existence of dualism between the corporation or company on the one hand and its members or shareholders on the other. So, it is no good emphasising that technical aspect of the matter in dealing with the question as to whether the veil should be lifted or not.

The doctrine of the lifting of the veil has been applied in the words of Palmer in five categories of cases : where companies are in the relationship of holding and subsidiary (or sub-subsidiary) companies; where a shareholder has lost the privilege of limited liability and has become directly

liable to certain creditors of the company on the ground that, with his knowledge, the company continued to carry on business six months after the number of its members was reduced below the legal minimum; in certain matters pertaining to the law of taxes, death duties and stamps, particularly where the question of the "controlling interest" is in issue; in the law relating to exchange control; and in the law relating to trading with the enemy where the test of control is adopted(1). In some of these cases, judicial decisions have no doubt lifted the veil and considered the substance of the matter.

Gower has similarly summarised this position with the observation that in a number of important respects, the legislature has rent the veil woven by the Salomon case. Particularly is this so, 'says Gower, in the sphere of taxation and in the steps which have been taken towards the recognition of enterprise-entity rather than corporate- entity. It is significant, however, that according to Gower, the courts have only construed statutes as "cracking open the corporate shell" when compelled to do so by the clear words of the statute; indeed they have gone' out of their way to avoid this construction whenever possible. Thus, at present, the judicial approach in cracking open the corporate shell is somewhat cautious and circumspect. It is only where the legislative provision justifies the adoption of such a course that the veil has been lifted. In exceptional cases where courts have felt "themselves able to ignore the corporate entity and to treat the individual shareholders as liable for its acts", the same course has been adopted. Summarising his conclusions, Gower has classified seven categories of cases where the veil of a corporate body has been lifted. But it would not be possible to evolve a rational, consistent and inflexible principle which can be invoked in determining the question as to whether the veil of the corporation should be lifted or not. Broadly stated, where fraud is intended to be prevented, or trading with an enemy is sought to be defeated, the veil of a corporation is lifted by judicial decisions and the shareholders are held to be the persons who actually work for the corporation.

That being the position with regard to the doctrine of the veil of a corporation and the principle that the said veil can be lifted in some cases, the question which arises for our decision is; can we lift the veil of the petitioners and say that it is the shareholders who are really moving the Court under Art. 32, and so, the existence of the legal and juristic separate entity of the petitioners as a corporation or as a company should not make the petitions filed by them under Art. 32 incompetent?

We do not think we can answer this question in the affirmative. No doubt, the complaint made by the petitioners is that their fundamental rights are infringed and it is a truism to say that this Court as the guardian of the fundamental rights of the citizens will always attempt to safeguard the said fundamental rights; but having regard to the decision of this Court in State Trading Corporation of India Ltd (supra) we do not see how we can legitimately entertain the petitioners' plea in the present petitions, because if their plea was upheld, it would really mean that what the corporations or the companies cannot achieve directly, can be achieved by them indirectly by relying upon the doctrine of lifting the veil. If the corporations and companies are not citizens, it means that the Constitution intended that they should not get the benefit of Art. 19. It is no doubt suggested by the petitioners that though Art. 19 is confined to citizens, the Constitution-makers may have thought that in dealing with the claims of corporations to invoke the provisions of Art. 19, courts would act upon the doctrine of lifting the veil and would not treat the attempts of the corporations in that behalf as falling outside Art. 19. We do not think this argument is well-founded. The effect of confining Art. 19 to citizens as distinguished from persons to whom other Articles like 14 apply, clearly must be that it is only citizens to whom the rights under Art. 19 are guaranteed. If the legislature intends that the benefit of Art. 19 should be made available to the corporations, it would not be difficult for it to adopt a proper measure in that behalf by enlarging the definition of 'citizen' prescribed by the Citizenship Act passed by the Parliament.

On the other hand, the fact that the Parliament has not chosen to make any such provision indicates that it was not the intention of the Parliament to treat corporations as citizens. Therefore, it seems to us that in view of the decision of this Court in the case of the State Trading Corporation of India Ltd (supra) the petitioners cannot be heard to say that their shareholders should be allowed to file the present petitions on the ground that, in substance, the corporations and companies are nothing more than associations of shareholders and members thereof. In our opinion, therefore, the argument that in the present petitions we would be justified in lifting the veil cannot be sustained.

GENERAL LAWS

GOVT. OF NCT OF DELHI v. MANAV DHARAM TRUST & ANR [SC]

Civil Appeal No.6112 of 2017 (Arising out of S.L.P. (C) No. 13551 of 2015) with batch of appeals.

Kurian Joseph & R. Banumathi, JJ. [Decided on 04/05/2017]

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 –section 24(2)- lapse of acquisition under the 1894 Act- subsequent purchasers/assignees/power of attorney holders, etc. approaching the court to set aside the acquisition- whether they have locus standi- Held, Yes.

Brief facts : Whether the subsequent purchasers/assignees/power of attorney holders, etc., have locus standi to file a petition for a declaration of lapse of acquisition proceedings under Section 24(2) of The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (hereinafter referred to as "the 2013 Act"), is the only issue arising for consideration in these cases.

The High Court has taken the view in favour of such people. Thus, aggrieved the NCT of Delhi and Delhi Development Authority are in appeals before this Court.

Decision : Appeals dismissed.

Reason : At the outset, we may note that in these cases, the land acquisition proceedings have otherwise lapsed by the operation of Section 24(2) of the 2013 Act since either compensation was not paid or possession was not taken within five years prior to 01.01.2014, the date of coming into force of the 2013 Act. Thus, the dispute is only on the locus standi.

All the decisions cited by the appellants, no doubt, have categorically held that the subsequent purchasers do not have locus standi to challenge the acquisition proceedings. But in the present case, the challenge is not to the acquisition proceeding; it is only for a declaration that the acquisition proceedings have lapsed in view of the operation of Section 24(2) of the 2013 Act, and therefore, the ratio in those cases has no application to these cases.

It is one thing to say that there is a challenge to the legality or propriety or validity of the acquisition proceedings and yet another thing to say that by virtue of operation of a subsequent legislation, the acquisition proceedings have lapsed.

In all the decisions cited by the learned Senior Counsel for the appellants, this Court has protected the rights of the subsequent purchaser to claim compensation, being a person interested in the compensation, despite holding that they have no locus standi to challenge the acquisition proceedings.

The 2013 Act has made a sea change in the approach on the acquisition of land and compensation thereof. The only lapse under the 1894 Act was under Section 11A where what would lapse is the ... "entire proceedings for the acquisition of land" whereas under Section 24(2) of the 2013 Act, what gets lapsed is the land acquisition proceedings initiated under the 1894 Act which has culminated in passing of an award under Section 11 but where either possession was not taken or compensation was not paid within five years prior to 01.01.2014. In other words, the land acquisition proceedings contemplated under Section 24(2) of the 2013 Act would take in both, payment of compensation and taking of possession within the five year period prior to 01.01.2014. If either of them is not satisfied, the entire land acquisition proceedings would lapse under the deeming provision. The impact of deemed lapse under Section 24(2) is that pervasive.

Thus, on account of the lapse, the encumbrance created in favour of the State comes to an end, and resultantly, the impediment to encumber the land also comes to an end. Even, according to the appellants, the transfers were illegal and void for the reason that there was an impediment for the transfer. Once the acquisition proceedings lapse, all impediments cease to exist.

As we have already noted above, the whole face of land acquisition has changed by the 2013 Act. Section 105 of the 2013 Act has provided that the provisions of the Act shall not apply to the enactments specified in the Fourth Schedule. So far, only 13 Acts have been notified under the Fourth Schedule. Neither The Delhi Development Act, 1957 nor The Delhi Lands (Restrictions on Transfers) Act, 1972 is included in the Fourth Schedule.

Thus, the subsequent purchaser, the assignee, the successor in interest, the power of attorney, etc., are all persons who are interested in compensation/land owners/affected persons in terms of the 2013 Act and such persons are entitled to file a case for a declaration that the land acquisition proceedings have lapsed by virtue of operation of Section 24(2) of the 2013 Act. It is a declaration qua the land wherein indisputably they have an interest and they are affected by such acquisition. For such a declaration, it cannot be said that the respondents/writ petitioners do not have any locus standi. Thus, we do not find any merit in these appeals and they are accordingly dismissed.

***COSMO FERRITES LTD.* v. *PRAGYA ELECTRONICS PVT. LTD & ORS.* [DEL]**

O.M.P. (Comm) 350/2016

Vibhu Bakhru, J. [Decided on 25/05/2017]

Arbitration and Conciliation Act, 1996 - section 31(7) (a)-interest on award- arbitrator refused to allow interest on awarded sum- whether correct - Held, No.

Brief facts : CFL entered into a non-exclusive distributorship agreement dated 01.04.2005 (hereafter 'the Agreement") with PEPL, respondent herein for the supply of soft ferrites. Subsequently, the parties entered into annual agreements for the years 2007, 2008 and 2009. In terms of the Agreement, PEPL placed purchase orders on CFL for supply of goods, which in turn were sold by PEPL to its customers.

Dispute arose as to the payments and the issue was referred to arbitration. Although, the arbitral tribunal found that CFL was entitled to recover the aforesaid amount, it rejected CFL's claim for interest at the rate of 12.25% p.a. on the said awarded sum.

Decision : Appeal allowed.

Reason: The principal issue to be addressed is whether the decision of the arbitral tribunal to reject CFL's claim for interest is sustainable. It is trite law that the arbitral tribunal cannot ignore the terms

of the agreement between the parties. Section 28(3) of the Act mandates that the arbitral tribunal must decide in accordance with the contract between the parties. (See: *Indian Hume Pipe Company Limited* v. *State of Rajasthan* : (2009) 10 SCC 187).

In the present case, there is no dispute that the Agreement expressly provided for interest on delayed payments. The arbitral tribunal has not found the aforesaid clause to be invalid or inapplicable. The arbitral tribunal has also not indicated any reason as to why the aforesaid clause ought to be ignored. The arbitral tribunal is bound to make award in terms of the Agreement between the parties and there is no indication as to why the arbitral tribunal has rejected CFL's claim for interest.

In the case of *State of Haryana & Ors* v. *S. L. Arora & Co* (2010) 3 SCC 690, the Supreme Court had expressly held as under:-

"24.2 The authority of the Arbitral Tribunals to award interest under Section 31(7) (a) is subject to the contract between the parties and the contract will prevail over the provisions of Section 31(7) (a) of the Act. Where the contract between the parties contains a provision relating to, or regulating or prohibiting interest, the entitlement of a party to the contract to interest for the period between the date on which the cause of action arose and the date on which the award is made, will be governed by the provisions of the contract, and the Arbitral Tribunal will have to grant or refuse interest, strictly in accordance with the contract. The Arbitral Tribunals cannot ignore the contract between the parties, while dealing with or awarding pre- award interest. Where the contract does not prohibit award of interest, and where the arbitral award is for payment of money, the arbitral tribunal can award interest in accordance with Section 31(7)(a) of the Act, subject to any term regarding interest in the contract."

The aforesaid decision was overruled by the Supreme Court in its later decision in *Hyder Consulting (UK) Ltd.* v. *Governor, State of Orissa* : (2015) 2 SCC 189, albeit, only to the extent that interest under Section 31(7) (b) of the Act would also be payable on any interest included in the sum awarded under Section 31(7) (a) of the Act. However, the view that contractual stipulations as to interest cannot be ignored by the arbitral tribunal is good law and the decision of the Supreme Court in S. L. Arora (supra) continues to be a binding precedent.

Having stated the above, it is also necessary to observe that the arbitral tribunal would still have the discretion to award interest in cases where the contract is silent. However, such discretion would have to be exercised objectively keeping in view, the facts of the case. In cases where the contract expressly provides that interest would be payable on sums withheld, the arbitral tribunal would be bound to award the same unless there are good reasons to not to do so.

In the present case, the impugned award does not indicate any reason as to why CFL's claim for interest has been rejected. This Court is hard pressed to find any discernible reason from the facts and circumstances, as discussed in the impugned award, as to why interest on the amount awarded has been denied to CFL. The arbitral tribunal has also ignored the provisions of the Agreement, which expressly entitles CFL to claim interest not exceeding the rate of 14% p.a. for any delay in payment.

In view of the above, the petition is liable to be allowed and the impugned award is liable to be set aside to the extent of rejection of CFL's claim for interest at the rate of 12.25% p.a. from the date of invoices till the date of the impugned award. In view of the above, the impugned award is set aside to the extent as indicated above. The petition is, accordingly, disposed of.

COMPETITION LAW

BIOCON LTD & ORS* v. *F. HOFFMANN-LA ROCHE AG & ORS [CCI]

Case No. 68 of 2016

D.K. Sikri, S. L. Bunker, Sudhir Mital, Augustine Peter, U.C. Nahta, & Justice G.P. Mittal. [Decided on 21/04/2017]

Competition Act, 2002- Section 4 - pharma products- biosimilars - abuse of dominance- denial of market access - CCI finds Roche involved in denial of market access to competitors–investigation ordered.

Brief facts : The Informants are primarily aggrieved by the Roche Group's conduct whereby, it has allegedly denied market access to its competitors in contravention of Section 4(2) (c) of the Act. Besides, the Informants have also alleged violation of Section 4(2)(a)(ii) for imposition of unfair prices, Section 4(2)(a)(i) for imposition of unfair conditions, Section 4(2)(e) of the Act for leveraging and Section 4(2)(b)(i) for limiting or restricting the market.

Decision : Investigation ordered as to the allegation of denial of market access.

Reason : The Commission is cognizant that the Informants' drugs have received approvals from DCGI, despite the attempts made by Roche Group and they were able to enter the market. The same, however, does not rule out the possibility of Roche's actions amounting to denial of market access. The denial of market access within the meaning of Section 4(2)(c) of the Act, need not be complete and absolute in nature. Even a partial denial of market access that takes away the freedom of a substitute to compete effectively and on merits in the relevant market, may amount to a contravention of Section 4(2)(c) of the Act. With regard to the Informants' market shares, which Roche Group has claimed is substantial, the Commission observes that, at this stage, it is very difficult to ascertain the impact of Roche Group's strategies on the market shares of the Informants. It is a subject matter of investigation as to whether their market shares could have been higher absent the alleged anti-competitive strategies adopted by Roche Group.

We are dealing with a case which involves a highly sensitive sector, where the safety of the patient is of paramount importance. Thus, creating any iota of doubt in the minds of doctors can adversely affect the market for biosimilars, which is prescription induced, beyond repair. Such disparagement may also have ripple effects within the medical community. In this scenario, those biosimilar manufacturers who do not have strong marketing channels amongst doctors may be forced out of the market because of abusive denigration by a dominant player.

The Commission further notes that a dominant enterprise is endowed with a special responsibility not to allow its conduct to impair undistorted competition in the relevant market. The Act places special responsibility on such enterprise not to conduct its business in a manner which is prohibited under Section 4(2) of the Act. Prima facie, it appears to the Commission that Roche Group has shirked such responsibility and indulged in abusive conduct.

With regard to the Informants' allegation on unfair pricing under Section 4(2) (a) (ii) of the Act, the Commission is prima facie not convinced that a case is made out against the Roche Group. Being the innovator, it might have invested huge sums on research and development of Trastuzumab. Thus, initial high prices can be attributable to being the reward for innovation. Further, it subsequently introduced cheaper versions in the market viz. BICELTIS/HERCLON. The Informants have also alleged leveraging on the part of Roche Group. In this regard, the Commission notes that it has taken the prima facie view that the relevant market in the instant case is 'market for biological drugs based on

Trastuzumab, including its biosimilars in India' and the impugned conduct of Roche Group therein amounts to contravention of Section 4(2) (c) of the Act. Thus, at this stage, the Commission does not find it relevant to deal with the alleged contravention of Section 4(2)(e) of the Act, which would arise only in case of delineation of narrower relevant markets as defined in the information i.e. 'market of sale for biological drugs (including biosimilars) used in the targeted therapy of HER-2 positive metastatic breast cancer within the territory of India', 'market of sale for biological drugs (including biosimilars) used in the targeted therapy of HER-2 positive early breast cancer within the territory of India' and 'market of sale for biological drugs (including biosimilars) used in the targeted therapy of HER-2 positive metastatic gastric cancer within the territory of India'. However, the prima facie determination of the Commission in this order regarding the relevant market and abuse therein shall not preclude the DG from delineating narrower relevant markets on the basis of investigation into relevant facts and also examine whether the impugned conduct of Roche Group constitutes a contravention of Section 4(2) (e) of the Act. With regard to the Informants' allegation under Section 4(2) (a) (i) of the Act, Roche Group has claimed that it is its prudent business strategy not to import 150 mg vials of BICELTIS / HERCLON. The Commission agrees with the assertion made by Roche Group and hence, prima facie, does not find any imposition of unfair condition in that and accordingly, does not find any contravention under Section 4(2)(a)(i) of the Act.

Based on the foregoing analysis, the Commission is of the considered view that prima facie, the contravention with regard to Section 4(2) (c) of the Act is made out against Roche Group, which warrants detailed investigation into the matter. The DG is, thus, directed to carry out a detailed investigation into the matter, in terms of Section 26(1) of the Act, and submit a report to the Commission, within 60 days.

Clarification Regarding Paper wise Exemption

(a) Paperwise exemption is granted only on the basis of specific request received online through website www.icsi.edu from a registered student and complying all the requirements. There is one time payment of Rs. 1000/- (per subject).

(b) Students are required to apply for paper wise exemption on-line by logging into their account on www.icsi.edu before 9th April for June session of examinations and before 10th October for December session of examinations.

(c) The paperwise exemption once granted holds good during the validity period of registration or passing/completing the examination, whichever is earlier.

(d) Paper-wise exemptions based on scoring 60% marks in the examinations are being granted to the students automatically and in case the students are not interested in availing the exemption they may seek cancellation of the same by sending a formal request

at exemption@icsi.edu. If any student appears in the examinations disregarding the exemption granted on the basis of 60% marks and shown in the Admit Card, the appearance will be treated as valid and the exemption will be cancelled.

(e) It may be noted that candidates who apply for grant of paper wise exemption or seek cancellation of paper wise exemption already granted, must see and ensure that the exemption has been granted/cancelled accordingly. Candidates who would presume automatic grant or cancellation of paper wise exemption without obtaining written confirmation on time and absent themselves in any paper(s) of examination and/or appear in the exempted paper(s) would do so at their own risk and responsibility and the matter will be dealt with as per the above guidelines.

(f) Exemption once cancelled on request in writing shall not be granted again under any circumstances.

(g) Candidates who have passed either module of the Executive/Professional examination under the old syllabus shall be granted the paper wise exemption in the corresponding subject(s) on switchover to the new/latest syllabus.

(h) No exemption fee is payable for availing paper wise exemption on the basis of switchover or on the basis of securing 60% or more marks in previous sessions of examinations.

Important

Paper-wise Exemptions are available only on the basis of passing (i) ICAI (The Institute of Cost Accountants of India) Final Examinations (ii) LL.B. Examinations (with 50% marks) or (iii) Members of ICSA-UK in selected subjects of Executive Programme & Professional Programme and no other exemptions are admissible on the basis of any other higher qualifications.

Attention Students !!!

There is no provision for submitting the exemption at the time of submitting the examination form.

If you have already been granted the exemption, it is reflected in your online account under "Programme Info", Examination Enrollment Status and Admit Card issued for examination through online mode.

It may be noted that in some cases, the exemptions granted in accordance with the various provisions contained under the regulations are inter-related with other exemptions granted and cancellation (or appearance) in any one of the papers may result in cancellation of exemptions in all the inter-related papers. For example, if a candidate has been granted paper-wise exemptions in three papers on the basis of scoring 60, 62, 58 & 10 Marks respectively in the four papers contained under Module-I of Executive Programme in previous session and in case he/she appears or cancels the exemption in any one out of the three exempted papers, all the three exemptions shall be cancelled since the exemption criteria in this case is applicable only if all the three papers are taken together. Candidates are, therefore, advised to be extremely careful while seeking cancellation or while appearing in the exempted papers, as the final result will be computed considering the actual marks scored on reappearance and/ or the deemed absence in the papers as the case may be. In other words, candidates appearing in the exempted papers despite an endorsement to the effect in the Admit Card shall be doing so at their own risk and responsibility and the Institute may not be held responsible for any eventuality which may arise at a later date. In case of any doubt regarding the applicability of rules regarding the exemptions, it would be better if the candidates seek prior clarifications from the Institute by writing at exemption@icsi.edu before appearing in the examination of exempted subjects or seeking cancellation of exemptions granted.

Exemption once cancelled on student's request shall not be revived subsequently under any circumstances. Candidates fulfilling the eligibility conditions under 60% Marks Criteria have been granted exemption(s) in the respective papers and such exemption(s) has/have been shown in the Admit Card.

The details of such exemptions are available in the individual accounts of the students at www.icsi.edu under "Programme Information". Ifany candidate appears in the examination of any exempted paper disregarding the exemption granted and shown in the Admit Card, the exemption will be cancelled by the Institute without notice and shall not be revived under any circumstances.

Candidates desirous of cancelling the paper-wise exemptions granted to them are advised to submit *a formal request through the Online facility available before 17th May 2017. For the purpose, please submit the Online Request by logging into your account at https://smash.icsi.in. The User Manual for submitting the request for cancellation os exemption is furnished below for ready reference : -*

USER MANUAL FOR CANCELLATION OF EXEMPTION

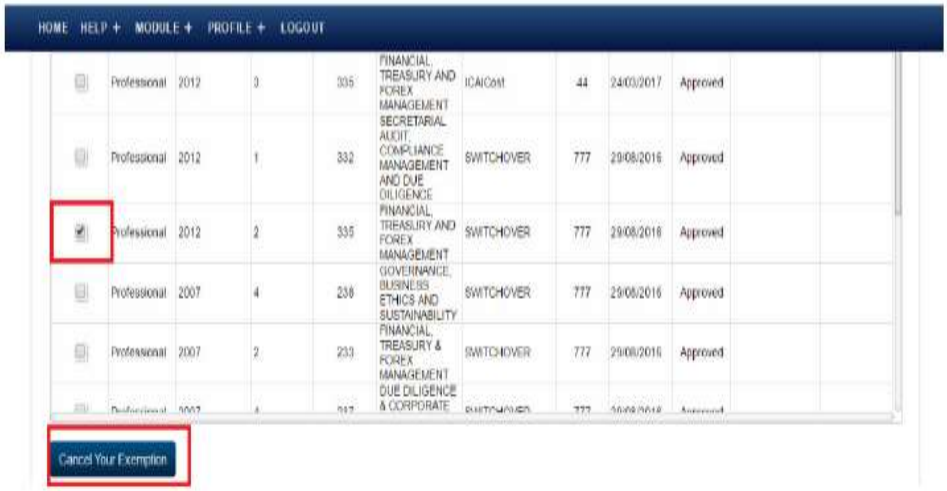
Step – 1

After Login with your registration no.

Click on Module-----→ Subject Exemption---------→ Exempted Subjects

Step – 2

Select the Check Box of the Subject the student want to cancel for the current syllabus and then click on Cancel Exemption :



IT IS ONCE AGAIN ADVISED THAT THE CANCELLATION OF PAPER-WISE EXEMPTIONS ARE IRREOVOCABLE AND THE CANCELLED EXEMPTIONS SHALL NOT BE RESTORED UNDER ANY CIRCUMSTANCES AND ALL SUCH REQUESTS FOR RESTORATION OF CANCELLED EXEMPTIONS WILL BE SUMMARILY REJECTED.

It may be noted that in some cases, the exemptions granted in accordance with the various provisions contained under the regulations are inter-related with other exemptions granted and cancellation (or appearance) in any one of the papers may result in cancellation of exemptions in all the inter-related papers. For example, if a candidate has been granted paper-wise exemptions in three papers on the basis of scoring 60, 62, 58 & 10 Marks respectively in the four papers contained under Module-I of Executive Programme in previous session

and in case he/she appears or cancels the exemption in any one out of the three exempted papers, all the three exemptions shall be cancelled since the exemption criteria in this case is applicable only if all the three papers are taken together. Candidates are, therefore, advised to be extremely careful while seeking cancellation or while appearing in the exempted papers, as the final result will be computed considering the actual marks scored on reappearance and/ or the deemed absence in the papers as the case may be. In other words, candidates appearing in the exempted papers despite an endorsement to the effect in the Admit Card shall be doing so at their own risk and responsibility and the Institute may not be held responsible for any eventuality which may arise at a later date. In case of any doubt regarding the applicability of rules regarding the exemptions, it would be better if the candidates seek prior clarifications from the Institute by writing at exemption@icsi.edu before appearing in the examination of exempted subjects or seeking cancellation of exemptions granted.

IN PURSUIT OF PROFESSIONAL EXCELLENCE
Statutory body under an Act of Parliament

ICSI:2017/Advs./2 May 20, 2017

ADVISORY FOR THE MEMBERS AND STUDENTS

1. Of late certain instances have come to the notice where a few members of the Institute and/or students have shared and/or posted material on social media without first ascertaining the veracity thereof. There have been occasions when the material shared/posted is found not only factually incorrect and misleading but has also the potential of damaging the reputation of the Institute, its members and other stake holders. Such recourse by the above members and/or students, being disdainful, ought to have been best avoided.

2. No doubt, the members of the Institute and/or the students being its stakeholders, can and should, share their concern, if any, but the same needs to be done in a manner befitting the image and standing of our profession. Our profession being our Almighty and the Institute being our alma mater, each one of us needs to ensure that none of our actions erodes, even slightly, the reputation and image of our Institute earned over the decades.

3. Though needless to mention, we, being the citizen of India, have been bestowed, among others, with the freedom of speech and expression right from the day we became republic. It is axiomatic that the freedom of speech and expression guaranteed by the Constitution of India is subject to reasonable restrictions as is it saddled with certain obligations. The advent of social media has greatly contributed in the sharing of thoughts and knowledge, when used appropriately, having applied the wisdom and maturity. Often, recourse to social media is taken mechanically and without due diligence, resulting in thereby infringing upon, sometimes unintended and possibly sometimes intended too, the right or dignity of another person. Rights and duties can only co-exist. One does not have an option to choose the right(s) alone.

4. This Advisory, therefore, has been compelled in the backdrop of the above.

5. Members and/or the students of the Institute, therefore, should refrain from making any misleading, incorrect, false, defamatory, derogatory comment(s), or even sharing such comments, against the Institute, Council, its leadership and/or any of its functionaries including the members, employees and other stakeholders and/or commenting/sharing on any matter under investigation/adjudication by the disciplinary mechanism. This is with the intent and to ensure that their thoughts and/or expressions do not infringe upon the dignity or reputation of any other person and/or should not cause any harm to the image of the Institute and its members and stakeholders, Council and/or its leadership, and any of their functionaries across the board or otherwise bring disrepute to the profession.

6. Such unwarranted instance(s) have triggered the disciplinary mechanism to view them seriously, and, therefore, any such misfeasance shall entail appropriate disciplinary and other appropriate action(s) against the erring member/student in accordance with the provisions of the Company Secretaries Act, 1980 and the Regulations made or directions issued thereunder.

7. If a member and/or other stakeholder come across any incident whereby any of the above or related matter has been shared/posted, s/he is requested to please bring the same to the notice of the Institute.

8. All members and students are advised to follow the above Advisory in true letter and spirit.
