14th ALL INDIA STUDENTS CONFERENCE-2013
on
COMPANY SECRETARY – IMPARTING WISDOM, EMPOWERING LIVES

Introduction

The Indian Corporate sector, which has been growing at a rapid pace in the current decade, has been making significant contribution to the economic development of the country. The Indian economy is also on the increasing growth curve. Various technological changes are taking place and the business environment has undergone major changes over a period of time especially in terms of transparency, disclosures and stakeholders' expectations. It has opened new opportunities for professionals like Company Secretaries, in terms of capacity building, knowledge updation and skills development. With the passage of time expectations from the profession of Company Secretaries will also be growing and the Company Secretaries have to be well equipped to come upto the expectations of the stakeholders. A Company Secretary plays an important role in the growth of the Corporates through exercising his expertise by securing the compliance of all obligations entrusted to him and advising the company management accordingly. The Company Secretary is not only assisting the top management but also is an active part in corporate strategic planning and management of the company. They are trained in corporate law, finance, governance and strategy and are ideally qualified to work in a wide variety of business, executive, managerial and advisory roles. After appointment of a professional like Company Secretaries, lives of Corporates become very smooth as they take care of all the compliances relating to various laws applicable to the organization.

Keeping above in mind, the Northern India Regional Council of the Institute of Company Secretaries of India has selected the theme "Company Secretary- Imparting Wisdom, Empowering Lives". The conference is a mega National event and will be attended by the students from all corners of India. It is a great opportunity for learning, networking and enjoyment for the students.

ABOUT DELHI

Delhi, the capital of India, has been the seat of power for several rulers and many empires for about a millennium. The city's importance lies not just in its past glory as the seat of empires and magnificent monuments, but also in the rich and diverse cultures. No wonder chroniclers of Delhi culture - from Chand Bardai and Amir Khusro to present days writers - have never been at a loss for topics. In Delhi, you will discover that the city is sprinkled with dazzling gems: captivating ancient monuments, fascinating museums and art galleries, architectural wonders, a vivacious performing-arts scene, fabulous eating places and bustling markets.
