About PG college of law, O.U.

The Post Graduate College of Law has a glorious history of more than 121 years. The Faculty of Law started classes in 1899 by Legal Department during Nizam period, in Hyderabad State. In 1923, Law Department was constituted at premises of Arts College in O.U. The University made a successful experiment of teaching Law, in a vernacular language namely Urdu. At that time Urdu was court language. The College shifted to Nizam College premises and in 1983 into its newly constructed building. At present the institution is offering six branches in Master of Laws (LL.M.), PG Diploma courses and also Ph.D. Programme. To improve the legal education standards, the College introduced 5YDC integrated course at bachelor's level (LL.B) in 2006.

The College is known for its committed faculty with excellent infrastructure and Alumni having reached the pinnacles of excellence as Judges of Supreme Court and High Courts, Attorneys, Academicians, Politicians and other chosen Professionals in India as well as Globally.

In the History of Osmania University for the first time the Father of Indian Constitution Dr. B.R. Ambedkar's statue was installed in the college premises. The purpose of installation of statue is to bring awareness among the students regarding the ideology, thoughts and achievements, about the Constitution and Constitutional Values enshrined by the Father of Indian Constitution.

ABOUT THE CONFERENCE

India is one of the fastest growing economy in the world despite the low growth rates in the recent times. The industrial growth is the key for any economy so we need to have balanced growth. The Anti-competitive practices have to be controlled and we need to have healthy competition in the market, this helps in protecting the consumers interest, apart from the above issue, various financial scams that are taking place in the recent times, are alarming situations where the law needs to be changed along with the changes. In recent years, there are numerous amendments in the fields of Company Law, Tax Laws, and Competition Laws, Insolvency Laws or in the field of the International Trading Law which shall have a potential impact on economic growth of the country. At this juncture this Conference endeavours to provide a forum for discussion on changes taking place in the relevant field and various aspects influencing Corporate Sector in India.

This Conference will also provide a constructive opportunity for students, lawyers and associated professional members in the region to exchange insights, explore current scenario of Corporate Law and exposure to a professional network of colleagues with shared interests and expertise.

SUB-THEMES

- Recent changes in Law of Arbitration and Conciliation and the Consumer Protection Laws.
- Competition law and Anti-competitive issues in various sectors in India;
- National Company Law Tribunal and its Role in efficient dispute settlement;
- Insolvency Law and economic development of the country.
- Recent trends in international trade laws and its impact on corporate sector in India.
- New financial policy in India and its impact on economic development in relation with restructuring in Banking Sector.
