Dear Professional friend,

The months of May and June were filled with MSME-1 and DPT-3 compliance. And now in July, we are looking at BEN-2 and NFRA-1 compliance! As the transparency of the corporate sector increases, our responsibility as professionals also grows simultaneously.

Best Regional Council Award 2017

By now, you must have received the happy news that SIRC has got the Best Regional Council Award in the recently concluded National PCS Conference after 11 years. CS Ganapathi G M was the Chairman in 2017, while CS Ramakrishna Gupta was the Vice Chairman and I was the Secretary during that period.

SIRC is always appreciated for compliances and better practices, but somehow this BIG award was eluding us for quite some time. It is extremely happy for all of us in the Council to get this award and credit must go to the Chairman-2017 and entire SIRO team ably led by Mrs. Sarah Arokiaswamy, Joint Secretary

National PCS Conference

National PCS Conference organized in the Southern India Region by the ICSI this year was a mega event and it broke the all time attendance for National PCS Conferences by a very big margin. Our President CS Ranjeet Pandey was present throughout and planned each and every minute detail for this event. Team Bengaluru led by CS Nagendra D Rao, Central Council Member and ably supported by CS Pradeep Kulkarni, Chairman, Bengaluru Chapter had made all arrangements seamlessly. The sessions were thought provoking with wonderful speakers. Appreciation to the entire HQ team and the staff of SIRO & Bengaluru Chapter for their selfless service.

Professional Development Programmes

Though the first 10 days of June was a “No programme time” owing to CS exams, in the next 20 days, we conducted a series of programmes at SIRC. Some important events are –

We are happy to inform that most of the Study Circle meetings and the Seminars were attended by a large number of participants.
