

FROM THE CHAIRMAN

We are shaped by our thoughts. We become what we think

Dear Professional friends,

We are extremely thankful to you for encouraging and supporting the initiatives and programs conducted by the Regional Council. This motivates us to progress in the right direction.

The month of February was full of activities and would like to share with you some important events that happened.

ICSI Leadership Summit

ICSI conducted a leadership summit in Delhi in the third week of February, 2019, which was attended by all Regional Council members, Chairman of various chapters and heads of department across India. President of ICSI spoke about Vision 2022 and the initiatives taken by the new council. The leaders from each region had the opportunity to present their plan for the next few years and also to align with Vision 2022.

Various awards were given during this event based on last year performances. Happy to share that SIRC and its Chapters got seven awards in different categories such as Oral coaching, Career awareness, Signature awards, Registration of Students etc.

The two days event had lots of learning and experience for each of the participant.

Professional Development programs at SIRO and various chapters

MCA is coming out with new initiatives for better compliance and SIRO and its chapters are conducting seminars on topics on these latest changes.

The seminars at SIRO have been well received; Companies Act refresher course, Meet the Regulator programme with our Beloved Registrar of Companies and other programs were well attended and interaction by Members was also thought provoking.

We are starting a series on Focus Young CS, wherein new avenues for the Company secretaries will be discussed at length. We are sure this will be useful for all the young CS and also for the CS who are getting into practice now.

President's visit to Chennai

ICSI President CS Ranjeet Pandey visited Chennai on Feb 27th and participated in series of events. His interaction with members was attended by more than 175 members. He addressed the members on all the new initiatives of ICSI and answered all their queries. The President also met the students of the Region and took note of all their suggestions. Later he met the representatives from the Print and Electronic media.

Meeting with MCA Secretary

ICSI-SIRC team met Shri. Injeti Shrinivas IAS, Secretary, MCA (Ministry of Corporate Affairs) when he visited Chennai on Feb 22, 2019.

Regional Director South CS Bhat M R, ROC Chennai CS Sehar Ponraj and Mrs. Sarah Arokiaswamy, Joint Secretary, ICSI SIRC were also present.

Meet the Regulator program with Registrar of Companies, Tamilnadu

The meeting with Registrar of Companies, Tamilnadu was well attended. Our beloved ROC answered all the queries of the members. In March, we will be hearing Dr. K. Thirumalaimuthu, official Liquidator in Meet the Regulator program and communication in this regard will be sent shortly.

Reception for SIRC newsletter

I am extremely happy to receive lot of positive and constructive feedback from Members for the SIRC newsletter of February 2019. Members have noted small aspects also and had shared their views, which really encourages us. Some of the comments given by readers are shared in this issue of Newsletter.

Placement program

The SIRO conducted a placement program on February 8th 2019 in which, employers and candidates attended and benefited. Since the results for CS exams has been published on February 25th 2019, we are planning for one more Placement program in the month of March, details of which will be sent separately.

Chapters zeal

The chapters of the ICSI-SIRC are conducting many professional development programs, events such as Cricket matches for members and some innovative sessions. It is really happy to see that the new team at all the chapters are exhibiting enthusiasm and zeal to take our profession forward.

The current issue of newsletter has some interesting articles and new areas. I request you to kindly go through and share your views and suggestions.

Yours sincerely

CS Mohan Kumar A
Chairman, ICSI-SIRC
