

## Full Day Program on “Overview of IBC 2016, Registered Valuers and Valuation Rules 2017 and how to prepare and qualify for these opportunities”

### Program Coverage

In the recent past, India has witnessed an unprecedented economic reform in the form of Insolvency & Bankruptcy Code 2016. It's positive impact is already felt in economy in the form of realisation of about 1.5 lakhs crores of NPA.

Another development is introduction of Registered Valuers and Valuation Rules 2017 by the MCA. Both these developments are proving to be non-conventional professional opportunities for the Company Secretaries together with other professionals.

However, to be able to tap these opportunities, the aspirants have to qualify online Exams conducted by IBBI.

To demystify both these opportunities of professional growth for our members, we are organising this Program.

CS Pramod Jain is the speaker of this program. He is a member of all three Institutes. He is currently practicing as a CA, IP and RV. He is also a global Corporate Trainer and Business Coach who has delivered training seminars and workshops in more than 50 locations across the globe. He is also a Marathoner and Cyclist and has authored two books, “Finance for Value Creation” and You Are A Born Winner.
