ISSUE No: 5

May 2019

FROM THE CHAIRMAN

“All our dreams can come true, if we have the courage to pursue them- Walt Disney”.

Dear Professional friend,

The month of May always brings back the memories of our School days, where we were free from all the school works for the whole month. For professionals, there is no holiday and with increased compliance like MSME, DPT 3 and Audit, this is indeed a hectic month.

Initiatives of ICSI SIRC

As you may be aware, ICSI has the system of “Study Centre”, through which ICSI reaches out to the students of remote places in association with colleges. Oral coaching classes for Foundation and Executive is being conducted at these Study Centers and students who are residing away from ICSI Chapters make use of this Study Centers to undergo coaching classes. ICSI recently inaugurated its 101st Study Center at Sivakasi in Ayya Nadar Janaki Ammal College.

Further, ICSI signed MOU for Signature awards with Calicut University, which is the largest University in Kerala with 426 colleges attached to it. Similar MOU was also signed with Kannur University, Kerala.

As Chairman of SIRC, I had the privilege to participate in Doordarshan Podhikai TV and interact with general public and answer to their queries over phone.

We are also happy to inform that SIRC has started a new Chapter in the State of Karnataka in Belagavi. The committee members have assumed their office. We have identified an office premises also and this chapter will start functioning very soon.

Professional Development programmes

In April month, SIRC conducted topics of latest importance like Insider Trading Regulations, DPT 3, MSME, etc, which were extremely well attended.

In the month of May, we are organizing programmes such as “How to approach IBC and Valuation exams”, One day refresher course on Companies Act etc. We look forward to your active participation as always.

Placement programme

ICSI is organizing a Placement program at SIRC premises on May 24th wherein more than 40 Companies are participating. Request CS members who are looking for change to utilize this opportunity and attend the said Placement programme.

Advertisement in E Newsletter

SIRC is publishing vacancies in Newsletter : half page or full page advertisements. Full page advertisement is priced at Rs 2,500 (Plus GST 18%) while half page advertisement cost Rs 1,500 (Plus GST 18%). Since the newsletter reaches out to more than 5000 readers, Companies can consider publishing their vacancies in SIRC Newsletter to hire CS candidates.

News for Students

ICSI has announced that with effect from December 2019, students writing one group of CS Executive or Professional will have intermittent holiday for the next paper. For example, CS Executive Programme one paper of Module-I shall be followed by one paper of Module-II. Similarly, for the CS Professional Programme, one paper of Module-I shall be followed by one paper of Module-II and one paper of Module-III, and the cycle shall be further repeated across the entire schedule. I am sure this will be of immense help to the students for revising the subjects well.

With the June exam around the corner, request the students to kindly concentrate on their exams well. SIRC will also have lesser programmes for members from May last week to June 10th, so that the employees can put their full efforts in providing necessary help to the students writing the exams.

National PCS Conference

We are happy to inform you that the National PCS Conference for the current year is to be held at SIRC region. It is to be held on July 5th and 6th at Bengaluru. Request members to kindly attend the same, as they can listen to outstanding speakers and for a good networking with professionals across India.

With Warm Regards

Yours Sincerely

CS Mohan Kumar A

Chairman, ICSI-SIRC
