CS SACHIN MAVI CHAIRPERSON, ICSI NOIDA CHAPTER

“उद्योगिनं पुरुषसिंहमुपैति लक्ष्मीः”

“Prosperity and success come to the one who is industrious and proactive like a lion.”

Respected Dignitaries, Esteemed Members, Dear Students, And My Fellow Committee Members,

A very warm greeting to all of you.

It gives me immense pleasure and a deep sense of pride to stand before you today and reflect upon the remarkable journey of the Noida Chapter during the first quarter of 2026.

At the outset, I would like to extend my heartfelt gratitude to our dedicated committee members whose **unwavering support, commitment, and teamwork** have been the backbone of every initiative undertaken by the Chapter. Whatever we have achieved today is truly a collective effort.

From the very beginning, our core focus has been capacity building of our members and students. We strongly believe that the role of a Company Secretary is not confined merely to secretarial functions or boardroom compliance. Rather, a Company Secretary is a **strategic advisor, a governance professional, and a dynamic leader** who must continuously evolve with changing times.

With this vision in mind, we consciously designed and conducted programs that go beyond traditional boundaries and encourage our members to excel in diverse areas, enhancing their professional competence and overall growth.

I am pleased to share that during this quarter, the Noida Chapter has **successfully conducted** a wide range of programs, through which we have been able to provide **17 CPE hours** to our members. These programs were carefully curated to address **contemporary** and **emerging areas of practice**.

As Chairman, my constant endeavor has been to create **opportunities, build capabilities, and inspire excellence** among our members and students. I firmly believe that learning should be **continuous, practical, and forward-looking**.

Moving ahead, we will continue to bring more innovative programs, knowledge sessions, and collaborative initiatives to empower our fraternity further.

Before I conclude, I once again thank all our members, students, speakers, collaborators, and especially our committee members for their relentless efforts and support.

Let us continue to work together with the same enthusiasm and dedication to take the Noida Chapter to even greater heights.

Regards

CS Sachin Mavi

Chairman
