31.	<b>Lesson 2</b>  <b>Basic Concept of Income Tax</b>	<b>Residential status of certain individuals under Income-tax Act, 1961 (Circular No. 2 Dated March 3, 2021)</b>  Section 6 of the Income-tax Act, 1961 (the Act) contains provisions relating to determination of residential status of a person. The status of an individual, as to whether he is resident in India or a non-resident or not ordinarily resident, is dependent, inter-alia, on the period for which the person is in India during a previous year or years preceding the previous year.  The Board has received various representations requesting for relaxation in determination of residential status for previous year 2020-21 from individuals who had come on a visit to India during the previous year 2019-20 and intended to leave India but could not do so due to suspension of international flights. The matter has been examined by the Board and following facts have emerged: <ol style="list-style-type: none"> <li>1. Short stay will not result into Indian residency</li> <li>2. Possibilities of dual non-residency in case of general relaxation</li> <li>3. Tie breaker rule as per Double Taxation Avoidance Agreement (DTAA)</li> <li>4. Employment income taxable only subject to conditions as per DTAA</li> <li>5. Credit for the taxes paid in other country</li> <li>6. International Experience</li> </ol> Thus, it can be seen that OECD as well as most of the countries have clarified that in view of the provisions of the domestic income tax law read with the DTAAAs, there does not appear a possibility of the double taxation of the income for PY 2020-21. The possibility of double taxation does not exist as per the provisions of the Income-tax Act, 1961 read with the DTAAAs. However, in order to understand the possible situations in which a particular taxpayer is facing double taxation due to the forced stay in India, it would be in the fitness of things to obtain relevant information from such individuals. After understanding the possible situations of double taxation, the Board shall examine that, <ol style="list-style-type: none"> <li>i. whether any relaxation is required to be provided in this matter; and</li> <li>ii. if required, then whether general relaxation can be provided for a</li> </ol>	<a href="https://www.incometaxindia.gov.in/communications/circular/residency-circular-02-of-2021.pdf">https://www.incometaxindia.gov.in/communications/circular/residency-circular-02-of-2021.pdf</a>
