	References have been received in respect of Milk Producers' Cooperative as to whether under the provisions of Section 269ST of the Act, receipt(s) in cash in a day of bank holiday/closure of bank day within 'the prescribed limit' from a distributor against sale of milk when payments were through bank on all other days is to be considered as a single transaction or whether all such receipts in cash in a previous year would be aggregated in respect of transactions with a distributor to treat it as one event or occasion.

Sum of money is referred to in sub-clause (xviia) of clause (24) of section 2 of the Act.</li> <li>The above amendment was introduced as an anti-abuse provision, as certain instances were observed where gifts were being made by persons residents in India to non-residents and were claimed to be non-taxable in India by such non-residents.</li> <li>It has come to notice that certain persons being not ordinarily residents are receiving the gifts from persons resident in India and not paying tax on it. 10.	Bringing the non-resident investors within the ambit of section 56(2)(viib) to eliminate the possibility of tax avoidance	Amendment vide Finance Act, 2023
	Section 56(2)(viib) of the Act, inter alia, provides that where a company, not being a company in which the public are substantially interested, receives, in any previous year, from any person being a resident, any consideration for issue of shares that exceeds the face value of such shares, the aggregate consideration received for such shares as exceeds the fair market value of the shares shall be chargeable to incometax under the head 'Income from other sources'. Rule 11UA of the Income-tax Rules provides the formula for computation of the fair market value of unquoted equity shares for the purposes of the Section 56(2) (viib) of the Act.	
	Clause (viib) of sub section (2) of section 56 of the Act was inserted vide Finance Act, 2012 to prevent generation and circulation of unaccounted money through share premium received from resident investors in a closely held company in excess of its fair market value. However, the said section is not applicable for consideration (share application money/ share premium) received from non-resident investors.	
	Accordingly, an amendment has been made to include the consideration received from a non- resident also under the ambit of clause (viib) by removing the phrase 'being a resident' from the said clause. This will make the provision applicable for receipt of consideration for issue of shares from any person irrespective of his residency status.

	prevention of fiscal evasion with respect to taxes on income which was signed at New Delhi on 12th April 1000 has been signed at Pishkely Kurgur Benublic on 14th June 2010 as set	otification-135-	
	on 13th April, 1999, has been signed at Bishkek, Kyrgyz Republic on 14th June, 2019, as set out in the Annexure. The date of entry into force of the said amending Protocol is the 22nd	<u>2021.pdf</u>	
	October, 2020, being the date of the later notification of the completion of the procedures		
	required by the respective laws for the entry into force of the said amending Protocol, in		
	accordance with Article 3 of the said amending Protocol.		
	Now, therefore, in exercise of the powers conferred by sub-section (1) of section 90 of the		
	Income-tax Act, 1961, the Central Government hereby notifies that all the provisions of the		
	said amending Protocol shall have effect in the Union of India.

	India's DTAAs with certain countries [Circular No. 3 Dated 3rd February, 2022]	<u>axindia.gov.in/</u>	
		communication	
	The Protocol to India's Double Taxation Avoidance Agreements (DTAAs) with some of the	s/circular/circul	
	countries, especially the European States and OECD members contains a provision, referred	<u>ar-3-2022.pdf</u>	
	to as the Most-Favoured-Nation (MFN) clause. Though each MFN clause in these DTAAs		

has a different formulation, the general underlying provision is that if after the signature/	
entry into force of the DTAA with the first State, India enters into a DTAA with another OECD Member State, wherein India limits its source taxation rights in relation to certain items of income (such as dividends, interest income, royalties, Fees for Technical Services, etc.) to a rate lower or a scope more restricted than the scope provided for those items of income in the DTAA with the first State, such beneficial treatment should also be extended to the First State.	
The Central Board of Direct Taxes (CBDT) has received representations seeking clarity on the applicability of the MFN clause (particularly to dividend withholding rates) available in the Protocol to some of the DTAAs with OECD member States. India's DTAAs with countries, namely Slovenia, Colombia, and Lithuania, provide for the lower rate of source taxation with respect to certain items of income. However, these States were not members of the OECD at the time of the conclusion of their DTAAs with India and have become members of the OECD thereafter.	
On a plain reading of the MFN clauses in India's DTAAs especially with respect to the above-mentioned countries, it is clear that there is a requirement that the third State is to be a member of the OECD both at the time of conclusion of the treaty with India as well as at the time of applicability of MFN clause. Therefore, it is clarified that for the applicability of the MFN clause, the third State has to be an OECD Member State on the date of the conclusion of DTAA with India.	
It may also be pointed out that the MFN clause in these DTAAs clearly states that the reduced rate takes effect from the date of entry into force of Indian DTAA with the third State. Thus, the declaration in the decree/bulletin/publication of The Netherlands, France, and the Swiss Confederation to make the reduced rate effective from the date of the third State becoming member of OECD subsequent to the entry into force of a DTAA is not in accordance with the relevant provision of the MFN clause in the Protocol. In fact, these countries could not have made it effective from the date of entry into force of Indian DTAA with the third State as the third State was not a member of the OECD on such date of entry into force. <i>This makes it clear that the intention of the MFN clause in the Protocol of the DTAAs is not to give the benefit of India's DTAA with the third State which was not a member of OECD when India entered into DTAA with it.</i>	
5. Central Government notifies provisions of DTAA with 'Chile' [Notification No. 24 Dated May 3, 2023]	https://income axindia.gov.in
An Agreement and Protocol between the Government of the Republic of India and the Government of the Republic of Chile for the elimination of double taxation and the prevention of fiscal evasion and avoidance with respect to taxes on income, was signed at Chile on the 9th day of March, 2020.	communicatio s/notification/r otification-24- 2023.pdf
The said Agreement and Protocol entered into force on the 19th day of October, 2022, being the date of the later of the notifications of the completion of the procedures required by the respective laws of the Contracting States for entry into force of the said Agreement and Protocol.	
Sub-paragraph (a) of paragraph 2 of Article 30 of the said Agreement provides that the provisions of the Agreement shall have effect in India in respect of income derived in any fiscal year beginning on or after the first day of April next following the date on which the Agreement enters into force; Now, therefore, the Central Government notifies that all the provisions of said Agreement

The business trusts invest in special purpose vehicles (SPV) through equity or debt instruments.	Act, 2023
Keeping in mind the business structure, the special taxation regime under section 115UA of the Act, inter-alia, provides a pass-through status to business trusts in respect of interest income, dividend income received by the business trust from a special purpose vehicle in case of both REIT and InvIT and rental income in case of REIT. Such income is taxable in the hands of the unit holders unless specifically exempted.	
Sub-section (1) of section 115UA of the Act, inter-alia, provides any income distributed by a business trust to its unit holders shall be deemed to be of the same nature and in the same proportion in the hands of the unit holder as it had been received by the business trust.	
Further, Sub-section (3) of section 115UA of the Act, inter-alia, provides that if the "distributed income" received by a unit holder from the business trust is of the nature as referred to in clause (23FC) or clause (23FCA) of section 10 of the Act i.e., is either rental income of the REIT or interest or dividend received by the business trust from the SPV, then, such distributed income or part thereof shall be deemed to be income of such unit holder.	
It has been noticed in certain cases that business trusts distribute sums to their unit holders which are categorised in the following four categories: (a) Interest; (b) Dividend; (c) Rental income; (d) Repayment of debt.	
As has been stated above, interest, dividend and rental income have been accorded a pass-through status at the level of business trust and are taxable in the hands of the unit holder. However, in respect of the distributions made by the business trust to its unit holders which are shown as repayment of debt, it is actually an income of unit holder which does not suffer taxation either in the hands of business trust or in the hands of unit holder.	
It may be noted that dual non-taxation of any distribution made by the business trust i.e. which is exempt in the hands of the business trust as well as the unit holder, is not the intent of the special taxation regime applicable to business trusts.	
In view of the above, an amendment has been made to make such sum received by unit holder taxable in his hands. However, provision is also proposed for a situation when the sum received by unit holder represents redemption of unit held by him. Hence,	

i.	<ul> <li>insertion of clause (xii) in sub-section (2) of section 56 of the Act to provide that income chargeable to income-tax under the head "income from other sources" shall also include any sum, received by a unit holder from a business trust, which-</li> <li>(a) is not in the nature of income as referred to in clause (23FC) or clause (23FCA) of section 10 of the Act; and</li> <li>(b) is not chargeable to tax under sub-section (2) of section 115UA of the Act;</li> </ul>	
ii.	insertion of a proviso to the said clause to provide that where the sum received by a unit holder from a business trust is for redemption of unit or units held by him, the sum received shall be reduced by the cost of acquisition of the unit or units to the extent such cost does not exceed the sum received;	
iii.	insertion of sub-section (3A) in section 115UA of the Act to provide that the provisions of sub - sections (1), (2) and (3) of this section, shall not apply in respect of any sum, as referred to in clause (xii) of sub-section (2) of section 56 of the Act, received by a unit holder from a business trust;	
iv.	insertion of sub-clause (xviic) in clause (24) of section 2 of the Act to provide that income shall include any sum referred to in clause (xii) of sub- section (2) of section 56 of the Act.
