1.	Lesson 1-3	<p>Circular No. 2/2018 dated: 15th February, 2018 Explanatory notes to the provisions of the Finance Act, 2017</p> <p>The Finance Act, 2017 as passed by the Parliament, received the assent of the President on the 31st day of March, 2017 and has been enacted as Act No. 7 of 2017. This circular explains the substance of the provisions of the Act relating to direct taxes and amendments at a glance.</p>	https://www.incometaxindia.gov.in/communications/circular/circular2_2018.pdf
2.	Lesson 1	<p>Circular No. 2 dated 4th January 2019 Income From Other Sources (Section 56) withdrawal of Circular No. 10/2018 dated 31.12.2018 regarding applicability of Section 56(2)(viiia) for issue of shares by a company in which public are not substantially interested</p> <p>It has been brought to the notice of the Board that the matter relating to interpretation of the term "receives" used in section 56(2)(viiia) of the Income- tax Act, 1961 is subjudice in certain higher judicial forums. Further, representations have been received from stakeholders seeking clarification on other similar provisions in section 56 of the Act.</p> <p>Accordingly, the matter has been reconsidered by the Board. Given the fact that the matter relating to interpretation of the term 'receives' used in section 56(2) (viiia) of the Act is pending before judicial forums and stakeholders have sought clarifications on similar provisions in section 56 of the Act, the Board is of the view that the matter is required to be examined afresh so that a comprehensive circular on the matter can be issued.</p> <p><i>Accordingly, the Circular No. 10/2018 dated 31st December, 2018 issued is hereby withdrawn and the aid circular shall be considered to have been never issued.</i></p>	https://www.incometaxindia.gov.in/communications/circular/circular_2_2019.pdf
3.	Lesson 1	<p>Circular No. 3 dated 21st January 2019 Income from other sources (Section 56) - chargeable as - applicability of section 56(2) (viiia) or similar provisions under section 56(2) for issue of shares by a company</p> <p>Keeping in view the plain reading as well as the legislative intent of section 56(2)(viiia) and similar provisions contained in section 56(2) of the Act, being anti-abuse in nature, it has been decided that the view, as was taken in Circular No. 10/2018 [subsequently withdrawn by Circular No. 02/2019] that section 56(2)(viiia) of the Act would not apply to fresh issuance of shares, would not be a correct approach, as it could be subject to abuse and</p>	https://www.incometaxindia.gov.in/communications/circular/circular_3_2019.pdf

		<p>would be contrary to the express provisions and the legislative intent of section 56(2)(viiia) or similar provisions contained in section 56(2) of the Act.</p> <p><i>Therefore, any view expressed by the Board in Circular No. 10/2018 shall be considered to have never been expressed and accordingly, the said circular shall not be taken into account by any Income-tax authority in any proceedings under the Act.</i></p>	
4.	Lesson 1	<p>Circular No. 4 dated 6th January, 2019 Clarification regarding liability and status of Official Assignees under the Income tax Act</p> <p>Under provisions of the Presidency Towns Insolvency Act, 1909 and the Provincial Insolvency Act, 1920, where an order of Insolvency is passed against a debtor by the concerned Court, property of the debtor gets vested with the Court appointed Official Assignee. The Official Assignee then realizes property of the insolvent and allocates it amongst the creditors of the insolvent. Consequentially, Official Assignee has the responsibility to handle income-tax matters of the estate assigned to him. In this regard, a clarification has been sought regarding applicability of clause (iii) of section 160(1) of the Income-tax Act, 1961 (Act) which applies on a 'Representative Assessee' in the case of an Official Assignee. Further, clarity regarding status of the Official Assignee's i.e. their fallibility in the appropriate category of 'persons', as defined in section 2(31) of the Act, has also been sought.</p> <p>'Representative Assessee' amongst other situations specified therein, becomes liable in respect of any income which the Assignee receives or is entitled to receive while managing the property for benefit of any person. As per the two insolvency Acts, Official Assignee manages the property of the debtor for the benefit of the creditors. Further, the Insolvency Act, 1909, in unambiguous terms, provides that an insolvent ceases to have an ownership interest in the estate once an order of adjudication is made under section 17 of the Insolvency Act. Thus, it is hereby clarified that since Official Assignee does not receive the income or manage the property on behalf of the debtor, they cannot be considered as a 'Representative Assessee' of the debtor under the Act while computing the tax- liability arising from the estate of the debtor.</p> <p>As property of the insolvent is vested with the Official Assignee as per specific provisions of the Act/Law regulating functioning of the Official Assignee's, they have to be treated as a 'juristic entity' for purposes of the income-tax Act. Hence, it is clarified</p>	<p>https://www.incometaxindia.gov.in/communications/circular/circular_4_2019.pdf</p>

		<p>that for purpose of discharge of tax-liability under the Act, the status of Official Assignees is that of an 'artificial juridical person' as prescribed in section 2(31)(vii) of the Act, not being one of the 'persons' falling in sub-clauses (i) to (vi) of section 2(31) of the Act.</p> <p><i>Therefore, Official Assignee is required to file income-tax return electronically in the ITR Form applicable to 'artificial juridical person' separately for each of the estate of the insolvent and the income shall be taxed as per the rates applicable in a particular year to an 'artificial juridical person'. In view of the above position, Official Assignees would have to obtain a separate PAN for each of the estate of the insolvent.</i></p>	
5.	Lesson 2	<p>Circular No. 8 dated 10th May, 2019 Clarification regarding definition of "Fund Manager" under Section 9A (4)(b) of the Income-tax Act, 1961</p> <p>SEBI has stated that an AMC is engaged in the activity of fund management of Mutual Funds and hence is in substance, a Fund Manager, and entitled for benefits u/s 9A of the Income-tax Act.</p> <p><i>Accordingly, it is hereby clarified that the phrase "fund manager" in Section 9A (4) (b) of the Income-tax Act includes an AMC as approved by SEBI under the SEBI (Mutual Funds) Regulations, 1996.</i></p>	<p>https://www.incometaxindia.gov.in/communications/circular/circular_8_10-05-2019.pdf</p>
6.	Lesson 1	<p>Circular No. 9 dated 14th May, 2019 Order under section 119 of the Income-tax Act, 1961</p> <p>Section 44AB of the Income-tax Act, 1961 ('the Act') read with rule 6G of the Income-tax Rules, 1962 ('the Rules') requires specified persons to furnish the Tax Audit Report along with the prescribed particulars in Form No. 3CD. The existing Form No. 3CD was amended vide notification no. GSR 666(E) dated 20th July, 2018 with effect from 20th August, 2018. However, the reporting under clause 30C and clause 44 of the Tax Audit Report was kept in abeyance till 31st March, 2019 vide Circular No. 6/2018 dated 17.08.2018.</p> <p>Representations were received by the Board that the implementation of reporting requirements under clause 30C (pertaining to General Anti-Avoidance Rules (GAAR) and clause 44 (pertaining to Goods and Services Tax (GST) compliance) of the Form No. 3CD may be deferred further.</p> <p><i>Accordingly, the Board has clarified that the reporting under clause 30C and clause 44 of the Tax Audit Report shall be kept in abeyance till 31st March, 2020.</i></p>	<p>https://www.incometaxindia.gov.in/communications/circular/circular_9_2019.pdf</p>

7.	Lesson 1	<p>CIRCULAR NO. 11 DATED 19TH JUNE, 2019 Clarification regarding non-allowability of set-off of losses against the deemed income under section 115BBE of the Income-tax Act, 1961 prior to assessment-year 2017-18</p> <p>With effect from 01.04.2017, sub-section (2) of section 115BBE of the Income- tax Act, 1961 (Act) provides that where total income of an assessee includes any income referred to in section(s) 68/69/69A/69B/69C/69D of the Act, no deduction in respect of any expenditure or allowance or set off of any loss shall be allowed to the assessee under any provisions of the Act in computing the income referred to in section 115BBE (1) of the Act.</p> <p>In this regard, it has been brought to the notice of the Central Board of Direct Taxes that in assessments prior to assessment year 2017-18, while some of the Assessing Officers have allowed set off of losses against the additions made by them under Section(s) 68/69/69A/69B/69C/69D, in some cases, set off of losses against the additions made under Section 115BBE(1) of the Act have not been allowed. As the amendment inserting the words 'or set off of any loss' is applicable with effect from 1ST of April, 2017 and applies from assessment year 2017-18 onwards, conflicting views have been taken by the Assessing Officers in assessments for years prior to assessment year 2017-18. The matter has been referred to the Board so that a consistent approach is adopted by the Assessing Officers while applying provision of section 115BBE in assessments for period prior to the assessment year 2017-18.</p> <p><i>Accordingly, keeping the legislative intent behind amendment in section 115BBE (2) vide the Finance Act, 2016 to remove any ambiguity of interpretation, the Board is of the view that since the term 'or set off of any loss' was specifically inserted only vide the Finance Act 2016, w.e.f. 01.04.2017, an assessee is entitled to claim set-off of loss against income determined under section 115BBE of the Act till the assessment year 2016-17</i></p>	https://www.incometaxindia.gov.in/communications/circular/circular_11_2019.pdf
8.	Lesson 2	<p>Circular No. 14 dated 3th July 2019 Clarification regarding taxability of income earned by a non-resident investor from off-shore investments routed through an Alternate Investment Fund</p> <p>The incidence of tax arising from off-shore investment made by a non-resident investor through the AIFs would depend on determination of status of income of non-resident investor as per provisions of section 5(2) of the Income-tax Act, 1961 (Act). As</p>	https://www.incometaxindia.gov.in/communications/circular/circular_no_14_2019.pdf

		<p>per section 5(2) of the Act, the income of a person who is non-resident, is liable to be taxed in India if it is received or is deemed to be received in India in such year by or on behalf of such person; or accrues or arises or is deemed to accrue or arise to him in India.</p> <p>Section 115UB of the Act ('Tax on income of investment fund and its unit holders) is the applicable provision to determine the income and tax-liability of investment funds & their investors.</p> <p>By an overriding effect over other provisions of the Act, sub-section (1) of section 115UB of the Act provides that any income accruing or arising to, or received by, a person, being a unit holder of an investment fund, out of investments made in the investment fund, shall be chargeable to income-tax in the same manner as If it were the income accruing or arising to, or received by, such person had the investments made by the investment fund been made directly by him and not through the AIF.</p> <p><i>Accordingly, it is hereby clarified that any income in the hands of the non-resident investor from off-shore investments routed through the Category I or Category II AIF, being a deemed direct investment outside India by the non-resident investor, is not taxable in India under section 5(2) of the Act. It is further clarified that loss arising from the off-shore investment relating to non-resident investor, being an exempt, shall not be allowed to be set-off or carried-forward and set off against the income of the Category I or Category II AIF .</i></p>	
9.	Lesson 1	<p>Circular No. 29 Dated: 2nd October, 2019 Clarification in respect of option under section 115BAA of the income tax Act , 1961 inserted through The Taxation Laws (Amendment) Ordinance 2019</p> <p>Section 115BAA in the Income-tax Act, 1961 provides that a domestic company shall, at its option, pay tax at a lower rate of 22 % for any previous year relevant to the Assessment Year beginning on or after 1ST April 2020 subject to certain conditions including that the total income should be computed without claiming any deduction or exemption:</p> <p>The option is required to be exercised by the company before the due date of furnishing return of income and the option once</p>	<p>https://www.incometaxindia.gov.in/communications/circular/circular_29_2019.pdf</p>

exercised, cannot be subsequently withdraw and shall apply to all subsequent assessment.

The Ordinance also amended section 115JB of the Act relating to Minimum Alternate Tax (MAT) so as at inter alia provide that the provisions of said section shall not apply to a person who has exercised the option referred to under newly inserted section 115BAA.

Representations have been received from the stakeholders seeking clarification on following issues relating to exercise of option under section 115BAA:

- a) Allowability of brought forward loss on account of additional depreciation: and
- a) Allowability of brought forward MAT credit.

These issues have been examined in the board and in order to provide clarity in the matter, the clarifications are issued as under:

As regards allowability of brought forward loss on account of additional depreciation, it may be noted that clause (i) of sub-section (2) of the newly inserted section 115 BAA inter alia, provides that the total income shall be computed without claiming any deduction under clause (iia) of sub-section (1) of section 32 (additional depreciation): and clause (ii) of the said sub - section provide that the total income shall be computed without claiming set off of any loss carried forward from any earlier assessment year if the same is attributable inter alia, to additional deprecation.

Therefore, a domestic company which, would exercise option for availing benefit of lower tax rate under section 115BAA shall not be allowed to claim set off of any brought forward loss on account of additional depreciation for an Assessment Year for which the option has been exercised and for any subsequent Assessment Year. Further as there is no lime line within which option under section 115BAA can be exercised, it may be noted that a domestic company having brought forward losses on account of additional depreciation may if it so desires, exercise the option after set off of the losses so accumulated.

As regards allowability of brought forward MAT credit, it may be noted that as the provisions of section 115JB relating to MAT itself shall not be applicable to the domestic company which exercises option under section 115BAA, it is hereby clarified that *the tax credit of MAT paid by the domestic company exercising option under section 115BAA of the Act shall not*

		<p><i>be available consequent to exercising of such option. Further, as there is no lime line within which option under section 115BAA can be exercised, it may be noted that a domestic company having credit of MAT may, if it so desires, exercise the option after utilizing the said credit against the regular tax payable under the taxation regime existing prior to promulgation of the ordinance.</i></p>

AMENDMENTS RELATING TO ICDS

Income Computation and Disclosure Standards (ICDS) provides the accounting treatment to be given to certain transactions under the head “PGBP” and “Other Sources”.

The provisions of ICDS have overruled certain judicial precedents given by Hon’ble Supreme Court and various High Courts. Hon’ble Delhi High Court in the case of writ petition filed by Chamber of Tax Consultants (CTC) have struck down certain provisions of the ICDS ruling that the same cannot overrule the landmark judgments given by various courts. The reason for such struck down is that the provisions of ICDS have been introduced vide Rules which have been framed by Central Board of Direct Taxes (CBDT) and do not have any statutory backing from parliament.

Finance Act, 2018 has made some amendments under the Income tax Act, 1961 in order to give the statutory backing to the treatment prescribed by ICDS. Some new sections and provisions have been inserted which have concluded the treatments as below:

1. Mark to Market loss computed in accordance with ICDS shall be allowed as deduction from the Income under PGBP – **Section 36(1)(xviii)**.
2. Foreign Exchange Gains/Losses arising on account of change in rates of exchange shall be allowed as deduction in accordance with ICDS. In order to take the same under tax net, **Finance Act, 2018** has introduced **Section 112A** of the Act in order to provide that:

- Tax @ 10% of the LTCG shall be charged.
- The tax will be charged only if LTCG of such nature exceeds Rs. 1 lakh.
- No Benefit of indexation shall be allowed on such gains.

No tax will be levied if the sale has been made till March 31, 2018 since the budget is applicable from April 01, 2018. If the asset is acquired on or after February 01, 2018, actual cost will be considered for the purpose of calculation.

If the asset is acquired on or before January 31, 2018, then cost of acquisition shall be

- Only those employees will be treated as additional employees whose salary is upto INR 25,000; **AND** Contributing in provident fund; **AND** Employed for 240 days or more in the year (150 days or more for apparel industry).

This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.

Modification in conditions for offshore funds' exemption from "business connection"

Section 9A of the Act provides for a special regime in respect of offshore funds by providing them exemption from creating a "business connection" in India on fulfilment of certain conditions. It provides that in the case of an eligible investment fund, the fund management activity carried out through an eligible fund manager acting on behalf of such fund shall not constitute business connection in India of the said fund. Further, an eligible investment fund shall not be said to be resident in India merely because the eligible fund manager undertaking fund management activities on its behalf is located in India. The benefit under section 9A is available subject to the conditions as provided in sub-sections (3), (4) and (5) thereof. Sub-section (3) of section 9A provides the conditions for eligibility of the fund.

One of the conditions for eligibility of the fund provided under clause (c) of said sub-section (3) requires that the aggregate participation or investment in the fund, directly or indirectly, by persons resident in India does not exceed five per cent of the corpus of the fund. Representations have been received in this regard stating that this condition is difficult to comply with in the initial years for the reason that eligible fund manager, who is resident in India, is required to invest his money as "skin in the game" to create reputation to attract investment.

One other condition for eligibility of the fund provided under clause (j) of said sub-section (3) requires that the monthly average of the corpus of the fund shall not be less than one hundred crore rupees except where the fund has been established or incorporated in the previous year in which case, the corpus of fund shall not be less than one hundred crore rupees at the end of a period of six months from the last day of the month of its establishment or incorporation, or at the end of such previous year, whichever is later. This condition does not apply in a case where the fund has been wound up.

Representations have been received in this regard stating that as per this condition, the period for fulfilling the requirement of monthly average of the corpus of one hundred crore rupees ranges from six months to eighteen months, in so far as the fund established or incorporated on last day of the financial year would get six months and the fund established or incorporated on first day of the financial year would get eighteen months. It has been stated that this results in anomaly as certain funds due to its date of establishment and incorporation get favoured or discriminated against.

Accordingly, an amendment has been made vide Finance Act, 2020 in section 9A of the Act to relax these two conditions so as to provide that,-

(i) for the purpose of calculation of the aggregate participation or investment in the fund, directly or indirectly, by Indian resident, contribution of the eligible fund manager during first three years up to twenty-five crore rupees shall not be accounted for; and

(ii) if the fund has been established or incorporated in the previous year, the condition of monthly average of the corpus of the fund to be at one hundred crore rupees shall be fulfilled within twelve months from the last day of the

month of its establishment or incorporation. This amendment will take effect from 1st April, 2020 and will, accordingly, apply in relation to the assessment year 2020-21 and subsequent assessment years.

Amendment of section 115BAB of the Act to include generation of electricity as manufacturing

The newly inserted section 115BAB provides that new manufacturing domestic companies set up on or after 1st October, 2019, which commence manufacturing or production by 31st March, 2023 and do not avail of any specified incentives or deductions, may opt to pay tax at a concessional rate of 15 per cent. Further, Explanation to clause (b) of sub-section (2) thereof provides that for the purposes of the said section, businesses engaged in development of computer software, mining, conversion of marble blocks or similar items into slabs, bottling of gas into cylinder, printing of books or production of cinematograph film or any other business as may be notified by the Central Government will not be considered as manufacturing or production.

Representations have been received from various stakeholders requesting to provide that the benefit of the concessional rate under section 115BAB of the Act may also be extended to business of generation of electricity, which otherwise may not amount to manufacturing or production of an article or thing.

Accordingly, an amendment has been made to explain that, for the purposes of this section, manufacturing or production of an article or thing shall include generation of electricity. This amendment will take effect from 1st April, 2020 and will, accordingly, apply in relation to the assessment year 2020-21 and subsequent assessment years.

Providing an option to the assessee for not availing deduction under section 35AD

Section 35AD of the Act, relating to deduction in respect of expenditure on specified business, provides for 100 per cent. deduction on capital expenditure (other than expenditure on land, goodwill and financial assets) incurred by the assessee on certain specified businesses. Under sub-section (1) of section 35AD, the said deduction of 100 per cent. of the capital expenditure is allowable during the previous year in which such expenditure has been incurred. Further, sub-section (4) provides that no deduction is allowable under any other section in respect to the expenditure referred to in sub-section (1). At present, an assessee does not have any option of not availing the incentive under said section.

Due to this, a legal interpretation can be made that a domestic company opting for concessional tax rate under section 115BAA or section 115BAB of the Act, which does not claim deduction under section 35AD, would also be denied normal depreciation under section 32 due to operation of sub-section (4) of section 35AD. This has not been the intention of the statute.

Therefore, an amendment has been made in sub-section (1) of section 35AD to make the deduction thereunder optional. It is further proposed to amend sub-section (4) of section 35AD to provide that no deduction will be allowed in respect of expenditure incurred under sub-section (1) in any other section in any previous year or under this section in any other previous year, if the deduction has been claimed by the assessee and allowed to him under this section. This amendment will take effect from 1st April, 2020 and will, accordingly, apply in relation to the assessment year 2020-21 and subsequent assessment years.

Increase in safe harbour limit of 5 percent under section 43CA, 50C and 56 of the Act to 10 percent

Section 43CA of the Act, inter alia, provides that where the consideration declared to be received or accruing as a result of the transfer of land or building or both, is less than the value adopted or assessed or assessable by any authority of a State Government (i.e. “stamp valuation authority”) for the purpose of payment of stamp duty in respect of such transfer, the value so adopted or assessed or assessable shall for the purpose of computing profits and gains from transfer of such assets, be deemed to be the full value of consideration. The said section also provide that where the value adopted or assessed or assessable by the authority for the purpose of payment of stamp duty does not exceed one hundred and five per cent of the consideration received or accruing as a result of the transfer, the consideration so received or accruing as a result of the transfer shall, for the purposes of computing profits and gains from transfer of such asset, be deemed to be the full value of the consideration.

Section 50C of the Act provides that where the consideration declared to be received or accruing as a result of the transfer of land or building or both, is less than the value adopted or assessed or assessable by stamp valuation authority for the purpose of payment of stamp duty in respect of such transfer, the value so adopted or assessed or assessable shall be deemed to be the full value of the consideration and capital gains shall be computed on the basis of such consideration under section 48 of the Act. The said section also provides that where the value adopted or assessed or assessable by the stamp valuation authority does not exceed one hundred and five per cent of the consideration received or accruing as a result of the transfer, the consideration so received or accruing as a result of the transfer shall, for the purposes of section 48, be deemed to be the full value of the consideration.

Clause (x) of sub-section (2) of section 56 of the Act, inter alia, provides that where any person receives, in any previous year, from any person or persons on or after 1st April, 2017, any immovable property, for a consideration which is less than the stamp duty value of the property by an amount exceeding fifty thousand rupees, the stamp duty value of such property as exceeds such consideration shall be charged to tax under the head “income from other sources”. It also provide that where the assessee receives any immovable property for a consideration and the stamp duty value of such property exceeds five per cent of the consideration or fifty thousand rupees, whichever is higher, the stamp duty value of such property as exceeds such consideration shall be charged to tax under the head “Income from other sources”.

Thus, the present provisions of section 43CA, 50C and 56 of the Act provide for safe harbour of five per cent. Representations have been received in this regard requesting that the said safe harbour of five per cent may be increased. It is, therefore, an amendment has been made vide Finance Act, 2020 to increase the limit to ten per cent. This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.

Amendment for providing attribution of profit to Permanent Establishment in Safe Harbour Rules under section 92CB and in Advance Pricing Agreement under section 92CC

Section 92CB of the Act empowers the Central Board of Direct Taxes (Board) for making safe harbour rules (SHR) to which the determination of the arm's length price (ALP) under section 92C or section 92CA of the Act shall be subject to. As per Explanation to said section the term “safe harbour” means circumstances in which the Income-tax Authority shall accept the transfer price declared by the assessee. This section was inserted in the Act to reduce the number of transfer pricing audits and prolonged disputes especially in case of relatively smaller assesseees. Besides reduction of disputes, the SHR provides certainty as well.

Further, section 92CC of the Act empowers the Board to enter into an advance pricing agreement (APA) with any person, determining the ALP or specifying the manner in which the ALP is to be determined, in relation to an international transaction to be entered into by that person. APA provides tax certainty in determination of ALP for five future years as well as for four earlier years (Rollback).

SHR provides tax certainty for relatively smaller cases for future years on general terms, while APA provides tax certainty on case to case basis not only for future years but also Rollback years. Both SHR and the APA have been successful in reducing litigation in determination of the ALP.

It has been represented that the attribution of profits to the PE of a non-resident under clause (i) of sub-section (1) of section 9 of the Act in accordance with rule 10 of the Rules also results in avoidable disputes in a number of cases. In order to provide certainty, the attribution of income in case of a non-resident person to the PE is also required to be clearly covered under the provisions of the SHR and the APA.

In view of the above, An amendment has been made vide Finance Act, 2020 in section 92CB and section 92CC of the Act to cover determination of attribution to PE within the scope of SHR and APA. With respect to section 92CB, the amendment will take effect from 1st April, 2020 and will, accordingly, apply in relation to the assessment year 2020-21 and subsequent assessment years. With respect to section 92CC, the amendment will take effect from 1st April, 2020 and therefore will apply to an APA entered into on or after 1st April, 2020.

Allowing deduction for amount disallowed under section 43B, to insurance companies on payment basis

Section 44 of the Act provides that computation of profits and gains of any business of insurance, including any such business carried on by a mutual insurance company or a co-operative society shall be computed in accordance with the rules contained in the First Schedule to the Act.

Section 43B of the Act provides for allowance of certain deductions, irrespective of the previous year in which the liability to pay such sum was incurred by the assessee according to the method of accounting regularly employed by the assessee, only in the previous year in which such sum is actually paid.

Rule 5 of the said Schedule provides for computation of profits and gains of other insurance business. It states that profits and gains of any business of insurance other than life insurance shall be taken to be the profit before tax and appropriations as disclosed in the profit and loss account prepared in accordance with the provisions of the Insurance Act, 1938 or the rule made thereunder or the provisions of the Insurance Regulatory and Development Authority Act, 1999 or the regulations made thereunder, subject to the condition that any expenditure debited to the profit and loss account which is not admissible under the provisions of sections 30 to 43B shall be added back; any gain or loss on realisation of investment shall be added or deducted, as the case may be, if the same is not credited or debited to the profit and loss account; any provision for diminution in the value of investment debited to the profit and loss account shall be added back. Thus, there is no specific provision, in this rule, in the case of other insurance companies, to allow deduction for any payment of certain expenses specified in section 43B if they are paid in subsequent previous year. There is a possibility that such sum may not be allowed as deduction in the previous year in which the payment is made. This has not been the intention of the legislature.

Therefore, An amendment has been made vide Finance Act, 2020 to insert a proviso after clause (c) of the said rule

5 to provide that any sum payable by the assessee which is added back under section 43B in accordance with clause (a) of the said rule shall be allowed as deduction in computing the income under the rule in the previous year in which such sum is actually paid. This amendment will take effect from 1st April, 2020 and will, accordingly, apply in relation to the assessment year 2020-21 and subsequent assessment years.

Rationalization of tax treatment of employer's contribution to recognized provident funds, superannuation funds and national pension scheme

Under the existing provisions of the Act, the contribution by the employer to the account of an employee in a recognized provident fund exceeding twelve per cent. of salary is taxable. Further, the amount of any contribution to an approved superannuation fund by the employer exceeding one lakh fifty thousand rupees is treated as perquisite in the hands of the employee. Similarly, the assessee is allowed a deduction under National Pension Scheme (NPS) for the fourteen per cent. of the salary contributed by the Central Government and ten per cent. of the salary contributed by any other employer. However, there is no combined upper limit for the purpose of deduction on the amount of contribution made by the employer. This is giving undue benefit to employees earning high salary income. While an employee with low salary income is not able to let employer contribute a large part of his salary to all these three funds, employees with high salary income are able to design their salary package in a manner where a large part of their salary is paid by the employer in these three funds. Thus, this portion of salary does not suffer taxation at any point of time, since Exempt-Exempt-Exempt (EEE) regime is followed for these three funds. Thus, not having a combined upper cap is iniquitous and hence, not desirable.

Therefore, An amendment has been made vide Finance Act, 2020 to provide a combined upper limit of seven lakh and fifty thousand rupee in respect of employer's contribution in a year to NPS, superannuation fund and recognised provident fund and any excess contribution is proposed to be taxable. Consequently, it is also proposed that any annual accretion by way of interest, dividend or any other amount of similar nature during the previous year to the balance at the credit of the fund or scheme may be treated as perquisite to the extent it relates to the employer's contribution which is included in total income. This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.

Modification of residency provisions

Sub-section (1) of section 6 of the Act provide for situations in which an individual shall be resident in India in a previous year. Clause (c) thereof provides that the individual shall be Indian resident in a year, if he,-

- (i) has been in India for an overall period of 365 days or more within four years preceding that year, and
- (ii) is in India for an overall period of 60 days or more in that year.

Clause (b) of Explanation 1 of said sub-section provides that an Indian citizen or a person of Indian origin shall be Indian resident if he is in India for 182 days instead of 60 days in that year. This provision provides relaxation to an Indian citizen or a person of Indian origin allowing them to visit India for longer duration without becoming resident of India.

Instances have come to notice where period of 182 days specified in respect of an Indian citizen or person of Indian origin visiting India during the year, is being misused. Individuals, who are actually carrying out substantial economic activities from India, manage their period of stay in India, so as to remain a non-resident in perpetuity

and not be required to declare their global income in India.

Sub-section (6) of the said section provides for situations in which a person shall be “not ordinarily resident” in a previous year. Clause (a) thereof provides that if the person is an individual who has been non-resident in nine out of the ten previous years preceding that year, or has during the seven previous years preceding that year been in India for an overall period of 729 days or less. Clause (b) thereof contains similar provision for the HUF.

This category of persons has been carved out essentially to ensure that a non-resident is not suddenly faced with the compliance requirement of a resident, merely because he spends more than specified number of days in India during a particular year. The conditions specified in the present law in respect of this carve out have been the subject matter of disputes, amendments and further disputes. Further, due to reduction in number of days, as proposed, for visiting Indian citizen or person of Indian origin, there would be need for relaxation in the conditions.

The issue of stateless persons has been bothering the tax world for quite some time. It is entirely possible for an individual to arrange his affairs in such a fashion that he is not liable to tax in any country or jurisdiction during a year. This arrangement is typically employed by high net worth individuals (HNWI) to avoid paying taxes to any country/ jurisdiction on income they earn. Tax laws should not encourage a situation where a person is not liable to tax in any country. The current rules governing tax residence make it possible for HNWIs and other individuals, who may be Indian citizen to not to be liable for tax anywhere in the world. Such a circumstance is certainly not desirable; particularly in the light of current development in the global tax environment where avenues for double non-taxation are being systematically closed.

In the light of above, An amendment has been made vide Finance Act, 2020 as follows:

- i. the exception provided in clause (b) of Explanation 1 of sub-section (1) to section 6 for visiting India in that year be decreased to 120 days from existing 182 days.
- ii. an individual or an HUF shall be said to be “not ordinarily resident” in India in a previous year, if the individual or the manager of the HUF has been a non-resident in India in seven out of ten previous years preceding that year. This new condition to replace the existing conditions in clauses (a) and (b) of sub-section (6) of section 6.
- iii. an Indian citizen who is not liable to tax in any other country or territory shall be deemed to be resident in India.

This amendment will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.

Removing dividend distribution tax (DDT) and moving to classical system of taxing dividend in the hands of shareholders/unit holders.

Section 115-O provides that, in addition to the income-tax chargeable in respect of the total income of a domestic company, any amount declared, distributed or paid by way of dividends shall be charged to additional income-tax at the rate of 15 per cent. The tax so paid by the company (called DDT) is treated as the final payment of tax in respect of the amount declared, distributed or paid by way of dividend. Such dividend referred to in section 115-O is exempt in the hands of shareholders under clause (34) of section 10. In case of business trust, specific exemption

is provided under sub-section (7) of section 115-O, subject to certain conditions. Similarly, exemption is provided for distributed profits of a unit of an International Financial Service Centre, on fulfilment of certain conditions, under sub-section (8) of section 115-O.

Similarly under section 115R, specified companies and Mutual Funds are liable to pay additional income-tax at the specified rate on any amount of income distributed by them to its unit holders. Such income is then exempt in the hands of unit holders under clause (35) of section 10. The incidence of tax is, thus, on the payer company/Mutual Fund and not on the recipient, where it should normally be. The dividend is income in the hands of the shareholders and not in the hands of the company.

The incidence of the tax should therefore, be on the recipient. Moreover, the present provisions levy tax at a flat rate on the distributed profits, across the board irrespective of the marginal rate at which the recipient is otherwise taxed. The provisions are hence, considered, iniquitous and regressive. The present system of taxation of dividend in the hands of company/ mutual funds was reintroduced by the Finance Act, 2003 (with effect from the assessment year 2004-05) since it was easier to collect tax at a single point and the new system was leading to increase in compliance burden. However, with the advent of technology and easy tracking system available, the justification for current system of taxation of dividend has outlived itself.

In view of above, an amendment has been made so that dividend or income from units are taxable in the hands of shareholders or unit holders at the applicable rate and the domestic company or specified company or mutual funds are not required to pay any DDT. It is also provided that the deduction for expense under section 57 of the Act shall be maximum 20 per cent of the dividend or income from units.

Therefore, an amendment has been made to-

- (i) amend section 115-O to provide that dividend declared, distributed or paid after 1st April, 2003, but on or before 31st March, 2020 shall be covered under the provision of this section.
- (ii) amend clause (34) of section 10 to provide that the provision of this clause shall not apply to any income, by way of dividend, received on or after 1st April, 2020.
- (iii) amend section 115R to provide that the income distributed on or before 31st March, 2020 shall only be covered under the provision of this section.
- (iv) amend clause (35) of section 10 to provide that the provision of this clause shall not apply to any income, in respect of units, received on or after 1st April, 2020.
- (v) amend clause (23FC) of section 10 so that all dividends received or receivable by business trust from a special purpose vehicle is exempt income under this clause.
- (vi) amend clause (23FD) of section 10 to exclude dividend income received by a unit holder from business trust from the exemption so that the dividend income is taxable in the hand of unit holder of the business trust.
- (vii) amend sub-section (3) of section 115UA to delete reference to sub-clause (a) so that distributed income of the nature as referred to in clause (23FC) or clause (23FCA) of section 10 shall be deemed to be income of the unit holder and shall be charged to tax as income of the previous year. Thus dividend income distributed by a special purpose vehicle to business trust would be taxed in the hands of unit holder.
- (viii) remove reference of section 115-O dividend income in various sections like section 57, section 115A, section 115AC, section 115ACA, section 115AD and section 115C.
- (ix) remove the opening line of clause (23D) of section 10, as mutual fund no longer required to pay additional tax.
- (x) insert new section 80M as it existed before its removal by the Finance Act, 2003 to remove the cascading effect,

with a change that set off will be allowed only for dividend distributed by the company one month prior to the due date of filing of return, in place of due date of filing return earlier.

(xi) amend section 115BBDA which taxes dividend income in excess of ten lakh rupee in the hands of shareholder at ten per cent., to only dividend declared, distributed or paid by a domestic company on or before the 31st day of March, 2020.

(xii) amend section 57 to provide that no deduction shall be allowed from dividend income, or income in respect of units of mutual fund or specified company, other than deduction on account of interest expense and in any previous year such deduction shall not exceed twenty per cent. of the dividend income or income from units included in the total income for that year without deduction under section 57.

(xiii) amend section 194 to include dividend for tax deduction. At the same time the rates of ten per cent. is proposed to be prescribed and threshold is proposed to be increased from Rs 2,500/- to Rs 5,000/- for dividend paid other than cash. Further, at present the mode of payment is given as “an account payee cheque or warrant”. It is proposed to change this to any mode.

(xiv) amend section 194LBA to provide for tax deduction by business trust on dividend income paid to unit holder, at the rate of ten per cent. for resident. For non-resident, it would be 5 per cent for interest and ten per cent. for dividend.

(xv) insert a new section 194K to provide that any person responsible for paying to a resident any income in respect of units of a Mutual Fund specified under clause (23D) of section 10 or units from the administrator of the specified undertaking or units from the specified company shall at the time of credit of such income to the account of the payee or at the time of payment thereof by any mode, whichever is earlier, deduct income-tax there on at the rate of ten per cent. It may also be provided for threshold limit of Rs 5,000/- so that income below this amount does not suffer tax deduction. It is also proposed to define “Administrator”, “specified company”, as already defined in clause (35) of section 10. It is also proposed to define “specified undertaking” as in clause (i) of section 2 of the Unit Trust of India (Transfer of Undertaking and Repeal) Act, 2002. It is also proposed to provide that where any income is credited to any account like suspense account, in the books of account of the person liable to pay such income, the liability for tax deduction under this section would arise at that time.

(xvi) amend section 195 to delete exemption provided to dividend referred to in section 115-O.

(xvii) amend section 196A to revive its applicability on TDS on income in respect of units of a Mutual Fund. It is also proposed to substitute “of the Unit Trust of India” with “from the specified company defined in Explanation to clause (35) of section 10” and “in cash or by the issue of a cheque or draft or by any other mode” with “by any mode”.

(xviii) amend section 196C to remove exclusion provided to dividend under section 115-O. It is also proposed to substitute “in cash or by the issue of a cheque or draft or by any other mode” with “by any mode”.

(xix) amend section 196D to remove exclusion provided to dividend under section 115-O. It is also proposed to substitute “in cash or by the issue of a cheque or draft or by any other mode” with “by any mode”.

Amendments at clause (i) to (xii) above will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years. Amendments at clause (xiii) to (xix) will take effect from 1st April, 2020.

Rationalization of provisions of section 55 of the Act to compute cost of acquisition

The existing provisions of section 55 of the Act provide that for computation of capital gains, an assessee shall be allowed deduction for cost of acquisition of the asset and also cost of improvement, if any. However, for computing capital gains in respect of an asset acquired before 1st April, 2001, the assessee has been allowed an

option of either to take the fair market value of the asset as on 1st April, 2001 or the actual cost of the asset as cost of acquisition.

An amendment has been made to rationalise the provision and to insert a proviso below sub-clause (ii) of clause (b) of Explanation under clause (ac) of sub-section (2) of the said section to provide that in case of a capital asset, being land or building or both, the fair market value of such an asset on 1st April, 2001 shall not exceed the stamp duty value of such asset as on 1st April, 2001 where such stamp duty value is available.

An Explanation has also been inserted to provide that for the purposes of sub-clause (i) and (ii), "stamp duty value" shall mean the value adopted or assessed or assessable by any authority of the Central Government or a State Government for the purpose of payment of stamp duty in respect of an immovable property. These amendments will take effect from 1st April, 2021 and will, accordingly, apply in relation to the assessment year 2021-22 and subsequent assessment years.
