ESG and the Future of Business

May 29, 2024 | 3:00 PM onwards

In recent years, Environmental, Social, and Governance (ESG) criteria have emerged as pivotal factors in the operational and strategic frameworks and corporations worldwide are increasingly recognizing the significance of ESG in their operations. Company Secretaries, being Governance Professionals, are now finding themselves at the forefront of ESG integration within organizations. Fostering the cause of developing professionals to specifically cater to the emerging forefronts of ESG, the fifth session of EEE 4.0 Master Knowledge Series is scheduled on the topic 'ESG and the Future of Business'.
