INCOME TAX ACT, 1961 & RULES 1962

CIRCULARS

CIRCULAR NO. 1/2018 DATED: 10TH JANUARY, 2018

PROCESSING OF INCOME TAX RETURNS UNDER SECTION 143(1) OF THE INCOME-TAX ACT WHICH WERE FILED IN FORMS ITR-L TO 6 & APPLICABILITY OF SECTION 143(1)(A)(VI)

As per section 143(1)(vi)(a) of the Income-tax Act, 1961 ('Act') introduced vide Finance Act, 2016, w.e.f. 01.04.2017 prescribes that the total income or loss shall be computed after making adjustment for addition of income appearing in Form 26AS or Form 16A or Form 16 (the three Forms) while processing the return of income, which has not been included in computing the total income in the return. In this regard, CBDT has issued Instruction No. 9/2017 dated 11.10. 2017 & 10/2017 dated 15.11.2017 for identification of instances in which section 143(1)(a)(vi) of the Act may be invoked by CPC-ITR, Bengaluru on the basis of information contained in the ITR Forms 1 to 6.

As intimations proposing adjustments in identified returns under section 143(1)(a)(vi) of the Act would be shortly issued by the CPC-ITR, Bengaluru, the process to be followed by the taxpayers for filing the response is as under:

Since section 143(1)(a)(vi) of the Act is being applied for the first time while processing the returns, it has been decided that before issuing an intimation of the proposed adjustment, initially an awareness campaign would be carried out to draw the attention of the taxpayer to such differences. This would be in form of an e-mail and SMS communication to the concerned taxpayer informing him about the variation in the tax-return vis-a-vis the information available in the three Forms and requesting him to submit response to the variation within one month of receiving the communication electronically. In case the taxpayer does not respond within the available time-frame or the response is not satisfactory, a formal intimation u/s 143(1)(a)(vi) proposing adjustment to the returned income would be issued to him.

As per the second proviso to section 143(1)(a)(vi) of the Act, in a case where no response is received from the taxpayer within thirty days of issue of such an intimation, the proposed adjustment shall be made to the returned income. Therefore, it is of utmost necessity that the concerned taxpayer files a prompt, timely and satisfactory response to the awareness campaign or subsequent intimation proposing adjustment u/s 143(1)(a)(vi) of the Act.

The manner for furnishing response by the taxpayer is as under:

For furnishing the response electronically, taxpayer is required to login in his account in the e-filing site and choose the option (View>Returns/Forms). In a case where communication/intimation has been issued to the taxpayer u/s 143(1)(a)(vi) of the Act, the status will be displayed in the dashboard as 'Response to Communication/Intimation u/s 143(1)(a) is pending'. The taxpayer can click on the same and submit his response.

The scenario for furnishing response are as under:

I. If the taxpayer fully agrees with the proposed adjustment, he is required to file a revised return in

response.

II. If the taxpayer partially agrees with the proposed adjustment, he is required to

- (i) file a revised return for the part of the proposed adjustment with which he is in agreement &
- (ii) file a reconciliation statement (in the format to be provided by CPC-ITR on the e-filing site) for the part of the proposed adjustment with which he is not in agreement.

III. If the taxpayer disagrees with the proposed adjustment, he is required to file a reconciliation statement (in the format to be provided by CPC-ITR on the e-filing site) in support of his contention.

Based upon response of the taxpayer and the information so available with the CPC-ITR, thereafter, such returns shall be taken up for processing by CPC-ITR as per provisions of section(s) 143(1), 143(1)(a)(vi) read with Instruction No.9 & 10/2017 of CBDT.

CIRCULAR NO. 3/2018 DATED: 11TH JULY, 2018

REVISION OF MONETARY LIMITS FOR FILING OF APPEALS BY THE DEPARTMENT BEFORE INCOME TAX APPELLATE TRIBUNAL, HIGH COURTS AND SLPs/APPEALS BEFORE SUPREME COURT-MEASURES FOR REDUCING LITIGATION

Reference is invited to Board's Circular No. 21 of 2015 dated 10.12.2015 wherein monetary limits and other conditions for filing departmental appeals (in Income-tax matters) before Income Tax Appellate Tribunal, High Courts and SLPs/ appeals before Supreme Court were specified.

In supersession of the above Circular, it has been decided by the Board that departmental appeals may be filed on merits before Income Tax Appellate Tribunal and High Courts and SLPs/ appeals before Supreme Court keeping in view the monetary limits and conditions specified below. Henceforth, appeals/ SLPs shall not be filed in cases where the tax effect does not exceed the monetary limits given hereunder:

S. No.	Appeals/ SLPs in Income-tax	Monetary Limit (Rs.)
1.	Before Appellate Tribunal	20,00,000
2.	Before High Court	50,00,000
3.	Before Supreme Court	1,00,00,000

It is clarified that an appeal should not be filed merely because the tax effect in a case exceeds the monetary limits prescribed above. Filing of appeal in such cases is to be decided on merits of the case.

For this purpose, 'tax effect' means the difference between the tax on the total income assessed and the tax that would have been chargeable had such total income been reduced by the amount of income in respect of the issues against which appeal is intended to be filed (hereinafter referred to as 'disputed issues') Further, 'tax effect' shall be tax including applicable surcharge and cess. However, the tax will not include any interest thereon, except where chargeability of interest itself is in dispute. In case the chargeability of interest is the issue under dispute, the amount of interest shall be the tax effect. In cases where returned

loss is reduced or assessed as income, the tax effect would include notional tax on disputed additions. In case of penalty orders, the tax effect will mean quantum of penalty deleted or reduced in the order to be appealed against.

The Assessing Officer shall calculate the tax effect separately for every assessment year in respect of the disputed issues in the case of every assessee. If, in the case of an assessee, the disputed issues arise in more than one assessment year, appeal can be filed in respect of such assessment year or years in which the tax effect in respect of the disputed issues exceeds the monetary limit specified in para 3. No appeal shall be filed in respect of an assessment year or years in which the tax effect is less than the monetary limit specified in para 3. In other words, henceforth, appeals can be filed only with reference to the tax effect in the relevant assessment year. However, in case of a composite order of any High Court or appellate authority, which involves more than one assessment year and common issues in more than one assessment year, appeals shall be filed in respect of all such assessment years even if the tax effect is less than the prescribed monetary limits in any of the year(s), if it is decided to file appeal in respect of the year(s) in which tax effect exceeds the monetary limit prescribed. In case where a composite order / judgement involves more than one assessee, each assessee shall be dealt with separately.

Further, where income is computed under the provisions of section 115JB or section 115JC, for the purposes of determination of 'tax effect', tax on the total income assessed shall be computed as per the following formula:

$(A - B) + (C - D)$ where,

A = the total income assessed as per the provisions other than the provisions contained in section 115JB or section 115JC (herein called general provisions);

B = the total income that would have been chargeable had the total income assessed as per the general provisions been reduced by the amount of the disputed issues under general provisions;

C = the total income assessed as per the provisions contained in section 115JB or section 115JC;

D = the total income that would have been chargeable had the total Income assessed as per the provisions contained in section 115JB or section 115JC was reduced by the amount of disputed issues under the said provisions:

However, where the amount of disputed issues is considered both under the provisions contained in section 115JB or section 115JC and under general provisions, such amount shall not be reduced from total income assessed while determining the amount under item D.

In a case where appeal before a Tribunal or a Court is not filed only on account of the tax effect being less than the monetary limit specified above, the Pro Commissioner of Income-tax/ Commissioner of Income Tax shall specifically record that "even though the decision is not acceptable, appeal is not being filed only on the consideration that the tax effect is less than the monetary limit specified in this Circular". Further, in such cases, there will be no presumption that the Income-tax Department has acquiesced in the decision on the disputed issues. The Income-tax Department shall not be precluded from filing an appeal against the disputed issues in the case of the same assessee for any other assessment year, or in the case of any other assessee for the same or any other assessment year, if the tax effect exceeds the specified monetary limits.

In the past, a number of instances have come to the notice of the Board, whereby an assessee has claimed relief from the Tribunal or the Court only on the ground that the Department has implicitly accepted the

decision of the Tribunal or Court in the case of the assessee for any other assessment year or in the case of any other assessee for the same or any other assessment year, by not filing an appeal on the same disputed issues. The Departmental representatives/ counsels must make every effort to bring to the notice of the Tribunal or the Court that the appeal in such cases was not filed or not admitted only for the reason of the tax effect being less than the specified monetary limit and, therefore, no inference should be drawn that the decisions rendered therein were acceptable to the Department. Accordingly, they should impress upon the Tribunal or the Court that such cases do not have any precedent value and also bring to the notice of the Tribunal/ Court the provisions of sub section (4) of section 268A of the Income-tax Act, 1961 which read as under :

"(4) The Appellate Tribunal or Court, hearing such appeal or reference, shall have regard to the orders, instructions or directions issued under sub-section (1) and the circumstances under which such appeal or application for reference was filed or not filed in respect of any case."

As the evidence of not filing appeal due to this Circular may have to be produced in courts, the judicial folders in the office of Pr.CsIT / CsIT must be maintained in a systemic manner for easy retrieval.

Adverse judgments relating to the following issues should be contested on merits notwithstanding that the tax effect entailed is less than the monetary limits specified in para 3 above or there is no tax effect:

- (a) Where the Constitutional validity of the provisions of an Act or Rule IS under challenge, or
- (b) Where Board's order, Notification, Instruction or Circular has been held to be illegal or ultra vires, or
- (c) Where Revenue Audit objection in the case has been accepted by the Department, or
- (d) Where the addition relates to undisclosed foreign assets/ bank accounts.

The monetary limits specified in para 3 above shall not apply to writ matters and Direct tax matters other than Income tax. Filing of appeals in other Direct tax matters shall continue to be governed by relevant provisions of statute and rules. Further, in cases where the tax effect is not quantifiable or not involved, such as the case of registration of trusts or institutions under section 12A/ 12AA of the IT Act, 1961 etc., filing of appeal shall not be governed by the limits specified in para 3 above and decision to file appeals in such cases may be taken on merits of a particular case.

It is clarified that the monetary limit of Rs. 20 lakhs for filing appeals before the ITAT would apply equally to cross objections under section 253(4) of the Act. Cross objections below this monetary limit, already filed, should be pursued for dismissal as withdrawn/ not pressed. Filing of cross objections below the monetary limit may not be considered henceforth. Similarly, references to High Courts and SLPs/ appeals before Supreme Court below the monetary limit of Rs. 50 lakhs and Rs. 1 Crore respectively should be pursued for dismissal as withdrawn/ not pressed. References before High Court and SLPs/ appeals below these limits may not be considered henceforth.

This Circular will apply to SLPs/appeals/ cross objections/ references to be filed henceforth in SC/HCs/Tribunal and it shall also apply retrospectively to pending SLPs/ appeals/cross objections/ references. Pending appeals below the specified tax limits in para 3 above may be withdrawn/ not pressed.

CIRCULAR NO. 4/2018 DATED: 14TH AUGUST, 2018

COMPUTATION OF ADMISSIBLE DEDUCTION ULS LOA OF THE INCOME TAX ACT,1961

As per the provisions of sub-section (4) of section 10A of the Income Tax Act, 1961 (the' Act'), the profits derived from export of articles or things or computer software shall be the amount which bears to the profits of the business of the undertaking, the same proportion as the export turnover in respect of such

articles or things or computer software bears to the total turnover of the business carried on by the undertaking.

Further as per clause (iv) to Explanation 2 to section 10A of the Act, "export turnover" means the consideration in respect of export by the undertaking of articles or things or computer software received in, or brought into, India by the assessee in convertible foreign exchange in accordance with sub-section (3), but does not include freight, telecommunication charges or insurance attributable to the delivery of the articles or things or computer software outside India or expenses, if any, incurred in foreign exchange in providing the technical services outside India.

The issue whether freight, telecommunication charges and insurance expenses are to be excluded from both "export turnover" and "total turnover" while working out deduction admissible under section 10A of the Act on the ground that they are attributable to delivery of articles or things or computer software outside India has been highly contentious. Similarly, the issue whether charges for providing technical services outside India are to be excluded both from "export turnover" and "total turnover" while computing deduction admissible under section 10A of the Act on the ground that such charges are relatable towards expenses incurred in convertible foreign exchange in providing technical services outside India has also been highly contentious.

The controversy has been finally settled by the Hon'ble Supreme Court vide its judgement dated 24.4.2018 in the case of Commissioner of Income Tax, Central-III Vs. M/s HCL Technologies Ltd. 1 While deciding the issue the Apex Court has held as under:

"17) The similar nature of controversy, akin to this case, arose before the Karnataka High Court in CIT vs. Tata Elxsi Ltd (2012) 20-1 TcLY/nan 32111 7. The issue before the Karnataka High Court was whether the Tribunal was correct in holding that while computing relief under Section 10A of the IT Act, the amount of communication expenses should be excluded from the total turnover if the same are reduced from the export turnover.' While giving the answer to the issue, the High Court, inter-alia, held that when a particular word is not defined by the legislature and an ordinary meaning is to be attributed to it, the said ordinary meaning is to be in conformity with the context in which it is used. Hence, what is excluded from 'export turnover' must also be excluded from 'total turnover', since one of the components of 'total turnover' is export turnover. Any other interpretation would run counter to the legislative intent and would be impermissible.

Accordingly the formula for computation of the deduction under Section 10A of the Act would be as follows:

Export Profit = Total Profit of the Business * Export turnover as defined in Explanation 2(IV) of Section 10A of IT Act / (Export turnover as defined in Explanation 2(IV) of Section 10A of the IT Act + domestic sale proceeds)

In the instant case, if the deductions on freight, telecommunication and insurance attributable to the delivery of computer software under Section 10A of the IT Act are allowed only in Export Turnover but not from the Total Turnover then, it would give rise to inadvertent, unlawful, meaningless and illogical result which would cause grave injustice to the Respondent which could have never been the intention of the legislature.

Even in common parlance, when the object of the formula is to arrive at the profit from export business, expenses excluded from export turnover have to be excluded from total turnover also. Otherwise any other interpretation makes the formula unworkable and absurd. Hence, we are satisfied that such deduction shall be allowed from the total turnover in same proportion as well.

On the issue of expenses on technical services provided outside, we have to follow the same principle of interpretation as followed in the case of expenses of freight, telecommunication etc. otherwise the formula of calculation would be futile. Hence, in the same way, expenses incurred in foreign exchange for providing the technical services outside shall be allowed to exclude from the total turnover. "

The issue has been examined by the Board and it is clarified that freight, telecommunication charges and insurance expenses are to be excluded both from "export turnover" and "total turnover", while working out deduction admissible under section 10A of the Act to the extent they are attributable to the delivery of articles or things or computer software outside India.

Similarly, expenses incurred in foreign exchange for providing the technical services outside India are to be excluded from both "export turnover" and "total turnover" while computing deduction admissible under section 10A of the Act.

Thus, all charges/expenses specified in Explanation 2(iv) to section 10A of the Act, are liable to be excluded from total turnover also for the purpose of computation of deduction u/s 10A of the Act.

CIRCULAR NO. 5/2018 DATED: 16TH AUGUST, 2018

CLARIFICATION ON THE IMMUNITY PROVIDED U/S 270AA OF THE INCOME-TAX ACT, 1961

Section 270AA of the Income-tax Act, 1961 (the Act) inter alia provides that w.e.f. 1st April, 2017, the Assessing Officer, on an application made by an assessee, may grant immunity from imposition of penalty under section 270A (not being penalty for misreporting) and initiation of proceedings under section 276C or section 276CC, subject to the conditions specified therein.

Apprehensions have been raised that where an assessee makes an application seeking immunity under section 270AA of the Act, and in the earlier year(s) penalty under section 271(1)(c) of the Act has been initiated on the same issue, the Income-tax Authority may contend that the assessee has acquiesced on the issue in such earlier year (s), by seeking immunity under section 270AA of the Act and therefore, take an adverse view in the proceedings for penalty under section 271(1)(c) of the Act.

In this matter, it is hereby clarified that where an assessee makes an application seeking immunity under section 270AA of the Act, it shall not preclude such assessee from contesting the same issue in any earlier assessment year. Further, the Income-tax Authority, shall not take an adverse view in the proceedings for penalty under section 271(1)(c) of the Act in earlier assessment years merely on the ground that the assessee has acquiesced on the issue in any later assessment year by preferring an immunity on such issue under section 270AA of the Act.

ORDER UNDER SECTION 119 OF THE INCOME-TAX ACT, 1961

The existing Form No. 3CD was amended vide notification no. GSR 666(E) dated 20th July, 2018 with effect from 20th August, 2018.

Section 115-O and related sections have been amended in order to provide that dividends referred to in Section 2(22)(e) of the Act are also part of Section 115-O and chargeable to DDT @ 30% (instead of 20.5553%). However, no change has been made in Section 115BBDA and Section 10(34) of the Act.

Post Amendment, It can be inferred that, Deemed Dividend u/s 2(22)(e) is chargeable to DDT @ 30% in hands of closely held company. Since Section 115BBDA of the Act do not cover above dividend, hence the same is wholly exempt from tax under Section 10(34) of the Act even exceeds Rs. 10 lakhs. Further, TDS under Section 194 of the Act is not required to be deducted since such dividend is now covered under Section 115-O of the Act.

2. PLUGGING OF LACUNA IN CASE OF AMALGAMATION

The same can be understood with the help of following example:

Now, Suppose Amalgamated Company say “A Ltd.” has taken over Amalgamating Company say “B Ltd” in the scheme of Amalgamation.

Since, B Ltd. is a profit making Company and hence, there will arise “Goodwill” (in most situation) to A Ltd. post amalgamation (assuming in the nature of purchase). Now, while reducing of capital by A Ltd., Section 2(22)(d) do not arise since A Ltd. is having losses even after amalgamating B Ltd.

Before amendment, the shareholders of A Ltd. enjoy cash by reduction of capital without implying Section 2(22)(d) of the Act.

Finance Act, 2018 has made the amendment and provided that at the time of reduction of capital by amalgamated company, accumulated profits of amalgamating company on amalgamation date will also be included.

3. DEDUCTIONS FROM INCOME OF FARM PRODUCER COMPANIES

New Section inserted for 100% deduction: A new Section 80PA has been inserted under the Act in order to provide that 100% of the gross total income of Producer Company shall be exempt if following conditions are satisfied:

- Turnover in the relevant previous year is less than Rs. 100 crores;
- Such Producer Company shall be engaged in marketing, processing of agricultural produce of members, purchase of agricultural implements, seeds, livestock for the use of members.
- Deduction can be taken from FY 2018-19 to FY 2024-25.

Important Points: Producer Company means a body corporate having objects or activities in relation to production, marketing, selling, export of agriculture produce of member, providing machinery, education, consultancy to members in relation to production activities.

4. EXEMPTION ON SALE OF STOCK OF CRUDE OIL BY FOREIGN COMPANY

The provisions of Section 10(48), 10(48A) and 10(48B) of the Income tax Act, 1961 exempts the following Incomes of a foreign company:

- Income received in India on account of Sale of crude oil as per the agreement approved by the Central Government – Section 10(48).

Now Finance Act, 2018 has made the amendment that even in case of termination of agreement, exemption benefit under Section 10(48B) will be available to such foreign company.

5. BENEFITS TO COMPANIES UNDER INSOLVENCY PROCEEDINGS

Provisions before Amendment

- The provisions of Section 79 of the Income tax Act, 1961 provides that NO LOSS can be carried forward and set off in case of change in shareholding by more than 51% from the loss year to set off year. For Example, If Loss relates to FY 2015-16 which is tested for set off in FY 2018-19, at least 51% of the voting power of shareholders must be same in both years.
- Further, Section 115JB allows the benefit of brought forward losses **OR** Unabsorbed depreciation (as per books), whichever is lower from the Book Profits computed under the provisions of Minimum Alternate Tax (MAT).
- Companies which are under the Insolvency proceedings are under a lose-lose situation due to above two provisions since upon taken over by others, losses will be lapsed. Further, if any of the loss or unabsorbed depreciation as per books is NIL, then there would be no benefit under MAT.

Amendment made by Finance Act, 2018

- Section 79 of the Act has been amended in order to provide that the provisions of Non Carry forward of loss will not be applicable in case of a Company whose resolution plan has been approved under Insolvency and Bankruptcy Code, 2016 (IBC, 2016).
- For Example, If Loss relates to FY 2015-16 which is tested for set off in FY 2018-19, no testing is required to be made for 51% criteria in case of Companies under Insolvency.
- Section 115JB of the Act has been amended in order to provide that in place of “Lower of Brought Forward Loss or Unabsorbed Depreciation”, “Aggregate of Brought Forward Loss **and** Unabsorbed Depreciation” will be allowed to a Company whose resolution plan has been approved. This will benefit the acquisitions of Companies which are under the proceedings of IBC, 2016.

Hon'ble Delhi High Court in the case of writ petition filed by Chamber of Tax Consultants (CTC) have struck down certain provisions of the ICDS ruling that the same cannot overrule the landmark judgments given by various courts. The reason for such struck down is that the provisions of ICDS have been introduced vide Rules which have been framed by Central Board of Direct Taxes (CBDT) and do not have any statutory backing from parliament.

Finance Act, 2018 has made some amendments under the Income tax Act, 1961 in order to give the statutory backing to the treatment prescribed by ICDS. Some new sections and provisions have been inserted which have concluded the treatments as below:

4. Inventory shall be valued at Cost or NRV whichever is lower computed in manner as per ICDS – **Section 145A**.
5. Listed Securities shall be valued at Cost or NRV whichever is lower (in case held as stock) – **Section 145A**
6. Unlisted/ Unquoted Securities shall be valued at initial cost – **Section 145A**.
