The ICSI with the intent of reviving, refreshing and sharpening the knowledge base of members, had launched a capacity building initiative EEE – Enable, Evaluate, Excel in the year 2017. The second and third editions were brought out in 2021 and 2023.

Keeping the same intent & overwhelming response received, the ICSI is launching next phase of this Webinar Series under the aegis of EEE 4.0 - Master Knowledge Series on contemporary topics of professional interest.

As the world celebrates, honours and appreciates the contributions of workers all around the world on 1st of May as International Labour Day, the ICSI, aligning with the thought, has pegged the first webinar of the series around labour Laws.
